Alpha Bank: Extension of the Reward Program for Consistent Mortgage Loan Customers

The Bank offers protection against increases in interest rates to consistent floating-rate mortgage loan borrowers for one more year

Alpha Bank continues to reward in practice its Customers who consistently service their floating-rate mortgage loans with the Bank.

Specifically, following its announcement of 11/4/2023 on the terms of the Program, the Bank extends the **Reward Program for Consistent Mortgage Loan Customers until April 30, 2025**.

All **retail customers with Floating-Rate Mortgage Loans** which were disbursed until December 31, 2022 and which have **no overdue debts** are **automatically** included in the Program, which **applies to all currencies** in which mortgage loans were issued.

The financing requirements of the Reward Program for Consistent Mortgage Loan Customers are fully covered by Alpha Bank, as part of the Group's Corporate Social Responsibility initiatives.
