## **First quarter 2015 results**

In the first quarter of 2015, the company posted profit after tax of Euro 1.9 million compared to Euro 1.2 million last year, increased by 62.5%.

The above is mainly attributed to the increased turnover, which reached Euro 4.2 million from Euro 3.3 million in the same period of 2014, as a result of the undertaking of a significant number of real estate valuations.
