Dear Shareholder,

Schroder International Selection Fund (the "Company") – Smart Manufacturing (the "Fund")

We are writing to inform you that on 8 April 2025 (the "Effective Date") the name of the Fund will change from "Smart Manufacturing" to "Robotics and Automation".

Background and rationale

We believe that the new name better represents the Fund's investment strategy and will better position it amongst competitor funds.

To support this change a reference to "smart manufacturing" in the Fund's investment policy will be updated to refer to "robotics and automation". Full details of this change can be seen in Appendix 1 to this letter.

The Fund's pre-contractual disclosure will be updated accordingly.

There are no other changes to the Fund's investment style, investment philosophy, investment strategy, and the operation and/or manner in which the Fund is being managed following these changes.

All other key features of the Fund, including the relevant risk indicator and fees, will remain the same.

Redeeming or switching your shares to another Schroders fund

We hope that you will choose to remain invested in the Fund following this change, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds before the Effective Date you may do so at any time up to and including deal cut-off on 7 April 2025. Please ensure that your redemption or switch instruction reaches HSBC Continental Europe, Luxembourg ("HSBC") before this deadline. HSBC will execute your redemption or switch instructions in accordance with the provisions of the Company's prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach HSBC before the deal cut-off given above.

You can find the Fund's updated key information document (the KID) for the relevant share class and the Company's prospectus at www.schroders.com.
