Under this EUR 30,000,000,000 Euro Medium Term Note Programme (the "**Programme**"), each of Alpha Credit Group PLC ("**Alpha PLC**") and Alpha Bank AE ("**Alpha Bank**" or the "**Bank**" and, together with Alpha PLC, the "**Issuers**" and each an "**Issuer**" and references herein to the "**relevant Issuer**" being to the Issuer of the relevant Notes) may from time to time issue notes (the "**Notes**") denominated in any currency agreed with the relevant Dealer (as defined below). Notes may be issued as unsubordinated obligations ("**Senior Notes**") or dated subordinated obligations ("**Dated Subordinated Notes**") of the relevant Issuer.

Notes issued by Alpha PLC will be guaranteed by Alpha Bank. In relation to each issue of Notes by Alpha PLC, the branch through which Alpha Bank is acting for such issue will be specified in the applicable Final Terms or, as the case may be, the applicable Drawdown Prospectus (in each case as defined below). In relation to each issue of Notes by Alpha Bank, the branch through which Alpha Bank is acting for such issue will be specified in the applicable Final Terms or, as the case may be, the applicable Drawdown Prospectus.

This Base Prospectus supersedes and replaces the Base Prospectus dated 6 March 2008.

For the purposes of Article 5.4 of Directive 2003/71/EC (the "**Prospectus Directive**"), this Base Prospectus (together with supplements which may be published to this Base Prospectus from time to time) is a base prospectus which comprises two base prospectuses, one in respect of each of Alpha PLC (as Issuer) and Alpha Bank (as Issuer and Guarantor).

The maximum aggregate nominal amount of all Notes from time to time outstanding will not exceed EUR 30,000,000,000 (or its equivalent in other currencies calculated as described herein) (the "**Programme Amount**"), subject to increase as described herein.

The Notes may be issued on a continuous basis to one or more of the Dealers specified herein and any additional Dealer appointed under the Programme from time to time, which appointment may be for a specific issue or on an ongoing basis (each a "**Dealer**" and together the "**Dealers**"). References in this Base Prospectus to the "**relevant Dealer**" shall, in relation to any issue of Notes, be to the Dealer or Dealers agreeing to purchase such Notes.

Application has been made to the Luxembourg Commission de Surveillance du Secteur Financier ("**CSSF**"), which is the Luxembourg competent authority for the purpose of the Prospectus Directive and relevant implementing legislation in Luxembourg, to approve the Base Prospectus as a Base Prospectus issued in compliance with the Prospectus Directive and implementing legislation in Luxembourg for the purpose of giving information with regard to the issue of Notes under the Programme during the period of twelve months since the date of publication of this Base Prospectus. If the application is accepted, the Base Prospectus will be made available for viewing on the website of the Luxembourg Stock Exchange (www.bourse.lu). Details of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined herein) of Notes will be set forth in a final terms (the "**Final Terms**") or in a drawdown prospectus (the "**Drawdown Prospectus**") which will specify, on or before the date of issue of the Notes of such Tranche, whether or not such Notes will be admitted to trading on the regulated market of the Luxembourg Stock Exchange, which is a regulated market for the purposes of the Directive 2004/39/EC on Markets in Financial Instruments ("**MiFID**"), and listing on the official list of the Luxembourg Stock Exchange and/or any other listing authority, stock exchange and/or quotation system, as the case may be. The Programme also permits Notes to be issued on the basis that they will not be admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system.

The minimum denomination of Notes admitted to trading on a European Economic Area ("**EEA**") exchange or offered to the public in a Member State of the EEA in circumstances which require the publication of a prospectus under the Prospectus Directive will be at least EUR 1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent in such other currency).

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**") and are subject to US tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to, or for the benefit of, US persons (see "**Subscription and Sale**" below).

The Notes of each Tranche will be in bearer form and (unless otherwise specified in the applicable Final Terms or Drawdown Prospectus (as the case may be)) will initially be represented by a temporary global Note which will be deposited on the issue date thereof with a common depository on behalf of Euroclear Bank S.A./N.V. ("**Euroclear**") and Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**"), and/or any other agreed clearing system and which will be exchangeable, as specified in the applicable Final Terms or Drawdown Prospectus (as the case may be), for either a permanent global Note or Notes in definitive form, in each case upon certification as to non-US beneficial ownership as required by US Treasury regulations. The applicable Final Terms or Drawdown Prospectus (as the case may be) will specify that a permanent global Note either (i) is exchangeable (in whole but not in part) for definitive Notes upon not less than 60 days' notice or (ii) is only exchangeable (in whole but not in part) for definitive Notes following the occurrence of an Exchange Event (as defined on page 29) all as further described in "**Form of the Notes**" and "**Form of Final Terms**" below.

A security rating is not a recommendation to buy, sell or hold securities and may be subject to review, revision, suspension, reduction or withdrawal at any time by the assigning rating agency.

Each Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes intended to be admitted to trading on the Luxembourg Stock Exchange) a supplement to the Base Prospectus, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Each global Note which is not intended to be issued in new global note form (a "**Classic Global Note**" or "**CGN**"), as specified in the relevant Final Terms, will be deposited on the relevant Issue Date with a common depository for Euroclear and Clearstream, Luxembourg and/or any other agreed clearing system as specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) and each global Note which is intended to be issued in new global note form (a "**New Global Note**" or "**NGN**"), as specified in the relevant Final Terms will be deposited on or around the relevant issue date with a common safekeeper for Euroclear and/or Clearstream, Luxembourg. - (iii) on such other basis as may be agreed between the relevant Issuer and the relevant Dealer,

in each case, as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

The Margin (if any) relating to such Floating Rate Notes will be agreed between the relevant Issuer and the relevant Dealer for each Series of Floating Rate Notes.

Index Linked Notes:

Payments of interest in respect of Index Linked Interest Notes will be made by reference to a single index or a basket of indices and/or such formula as specified in the applicable Final Terms or Drawdown Prospectus (as the case may be).

Payments of principal in respect of Index Linked Redemption Notes will be calculated by reference to a single index or a basket of indices. Each nominal amount of Notes equal to the Calculation Amount specified in the applicable Final Terms or Drawdown Prospectus (as the case may be) will be redeemed by payment of the Redemption Amount specified in the applicable Final Terms or Drawdown Prospectus (as the case may be), or if not so specified, as defined in the Terms and Conditions of the Notes.

If an Index Adjustment Event occurs, the Issuer may redeem the Notes as more fully set out under "*Terms and Conditions of the Notes*".

Equity Linked Notes:

Payments of interest in respect of Equity Linked Interest Notes will be calculated by reference to a single equity security or basket of equity securities on such terms as specified in the applicable Final Terms or Drawdown Prospectus (as the case may be).

Payments of principal in respect of Equity Linked Redemption Notes will be calculated by reference to a single equity security or a basket of equity securities. Each nominal amount of Notes equal to the Calculation Amount specified in the applicable Final Terms or Drawdown Prospectus (as the case may be) will be redeemed by payment of the Redemption Amount specified in the applicable Final Terms or Drawdown Prospectus (as the case may be) or, if not so specified, as defined in the "*Terms and Conditions of the Notes*". Equity Linked Redemption Notes may also provide that redemption will be by physical delivery of a given number of Reference Item(s). Accordingly, an investment in Equity Linked Redemption Notes may bear similar risks to a direct equity investment and investors should take advice accordingly.

If Potential Adjustment Events and/or De-listing and/or Merger Event and/or Nationalisation and/or Insolvency and/or Tender Offer are specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), the Notes may be subject to adjustment or, if De-listing and/or Merger Event and/or Nationalisation and/or Insolvency and/or Tender Offer are specified

as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), redeemed, all as more fully set out under “*Terms and Conditions of the Notes*”.

Alpha PLC will not issue Equity Linked Notes which provide that their redemption will be by physical delivery of a given number of Alpha Bank shares or other Reference Item(s), where such delivery under the Guarantee would infringe the Greek financial assistance rules as set out in articles 16a and 17 of the Greek Codified Law 2190/1920.

Additional Disruption Events (Index Linked Notes and Equity Linked Notes only):

If Additional Disruption Events are specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), the Notes will be subject to adjustment or may be redeemed upon the occurrence of any of the Additional Disruption Events specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be).

Disrupted Days:

Where the Notes are Index Linked Redemption Notes or Equity Linked Redemption Notes, the Calculation Agent may determine that a Disrupted Day has occurred or exists at a relevant time. Any such determination may have an effect on the value of the Notes and/or may delay settlement in respect of the Notes. Prospective investors should review the Terms and Conditions of the Notes and the applicable Final Terms or Drawdown Prospectus (as the case may be) to ascertain whether and how such provisions apply to the Notes.

Settlement Risk:

Where any Notes are to be settled by Physical Delivery, the Calculation Agent may determine that a Settlement Disruption Event is subsisting and/or, where “Failure to deliver due to Illiquidity” is specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), that it is impossible or impractical to deliver when due some or all of the assets due to be delivered due to illiquidity in the relevant market. Any such determination may affect the value of the Notes and/or may delay settlement in respect of the Notes and/or result in whole or partial cash settlement in respect of the Notes. Prospective investors should review the Terms and Conditions of the Notes and the applicable Final Terms or Drawdown Prospectus (as the case may be) to ascertain whether and how such provisions apply to the Notes.

Illegality:

In the event that the Calculation Agent determines in good faith that the performance of the Issuer’s obligations under a Series of Notes or that any arrangements made to hedge the Issuer’s position under such Notes has or will become unlawful, illegal, or otherwise prohibited in whole or in part, the Issuer may, having given notice to Noteholders, redeem all, but not some only, of the Notes of such Series, each Note being redeemed at the Early Redemption Amount, together, if appropriate, with accrued interest.

Other provisions in relation to Floating Rate Notes, Equity Linked Interest Notes and Index Linked Interest Notes:

Floating Rate Notes, Equity Linked Interest Notes and Index Linked Interest Notes may also have a maximum interest rate, a minimum interest rate, or both (as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be)).

Interest on Floating Rate Notes, Equity Linked Interest Notes and Index Linked Interest Notes in respect of each Interest Period, as selected prior to issue by the relevant Issuer and the relevant Dealer, will be payable on such Interest Payment Dates specified in, or determined pursuant to, the applicable Final Terms or Drawdown Prospectus (as the case may be) and will be calculated on the basis of the relevant Day Count Fraction as may be agreed between the relevant Issuer and the relevant Dealer.

Interest Periods for Floating Rate Notes, Equity Linked Interest Notes and Index Linked Interest Notes:

Such period(s) as the relevant Issuer and the relevant Dealer may agree (as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be)).

Dual Currency Notes:

Payments (whether in respect of principal or interest and whether at maturity or otherwise) in respect of Dual Currency Notes will be made in such currencies, and based on such rates of exchange, as the relevant Issuer and the relevant Dealer may agree (as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be)).

Zero Coupon Notes:

Zero Coupon Notes will be offered and sold at a discount to their nominal amount and will not bear interest other than in the case of late payment.

Change of Interest Basis Notes:

Notes may be converted from one interest basis to another if so provided in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

Redemption:

The applicable Final Terms or Drawdown Prospectus (as the case may be) relating to each Tranche of Notes will indicate either that the Notes of such Tranche cannot be redeemed prior to their stated maturity (other than in specified instalments (see below), if applicable, or, subject to certain conditions, at the option of the relevant Issuer for taxation reasons or following an Event of Default or on an illegality or, in the case of Index Linked Notes, following an Index Adjustment Event, or, in the case of Equity Linked Notes and if so specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), following a De-listing and/or Merger Event and/or Nationalisation and/or Insolvency and/or Tender Offer, or, in the case of Index Linked Notes or Equity Linked Notes and if so specified in the applicable Final Terms or Drawdown Prospectus (as the case may be), following an Additional Disruption Event) or that such Notes will be redeemable at the option of the Issuer ("**Issuer Call**") and/or the Noteholders ("**Investor Put**") upon giving not less than 15 nor more than 30 days' irrevocable notice (or such other notice period (if any) as is indicated in the applicable Final Terms or Drawdown Prospectus (as the case may be)) to the Noteholders or the Issuer, as the case may be, on a date or dates specified prior to such stated maturity and at a price or prices and on such terms as are indicated in the applicable Final Terms or Drawdown Prospectus (as the case may be).

The applicable Final Terms or Drawdown Prospectus (as the case may be) may provide that Notes may be redeemable in two or more instalments of such amounts and on such dates as are indicated in the applicable Final Terms or Drawdown Prospectus (as the case may be).

Prior to their stated maturity, Dated Subordinated Notes may not be redeemed at the option of the Noteholders of any such Notes and only by the Issuer with the prior consent of the Bank of Greece.

Unless otherwise permitted by the current laws and regulations, Notes having a maturity of less than one year may be subject to restrictions on their denomination and distribution, see "*Certain Restrictions: Notes issued by Alpha PLC having a maturity of less than one year*" above.

Denomination of Notes:

Such denominations as may be agreed between the relevant Issuer and the relevant Dealer and as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be) save that

(i) the minimum denomination shall be €1,000 (or its equivalent in any other currency as at the date of issue of those Notes); and (ii) the minimum denomination of each Note will be such as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency (see "*Certain Restrictions: Notes issued by Alpha PLC having a maturity of less than one year*" above).

Taxation:

All payments in respect of the Notes issued by Alpha Bank will be made without deduction for or on account of Greek withholding taxes (or, in the case of Notes issued by Alpha Bank through a branch situated in a jurisdiction other than the Hellenic Republic, withholding taxes imposed by the jurisdiction where such branch is situated) and all payments in respect of Notes issued by Alpha PLC will be made without deduction for or on account of UK withholding taxes, in each case, subject to certain exemptions as provided in Condition 13.

Negative Pledge:

The Senior Notes will contain a negative pledge provision as further described in Condition 4.

There will be no negative pledge provision relating to Dated Subordinated Notes.

Cross Default:

The Senior Notes will contain a cross default provision as further described in Condition 14(a).

The Dated Subordinated Notes will not contain a cross default provision.

Expenses:

If Physical Delivery is specified in the applicable Final Terms as applying in relation to any Notes, all Delivery Expenses arising from the delivery of any Asset Amount in respect of such Note shall be for the account of the relevant Noteholder and no delivery of any Asset Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder.

Status of the Senior Notes:

The Senior Notes will constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 4) unsecured obligations of the relevant Issuer and will rank *pari passu* without any preference among themselves and at least *pari passu* with all other present and future unsecured (subject as aforesaid) and unsubordinated obligations of such Issuer (other than those preferred by mandatory provisions of law).

Status of the Dated Subordinated Notes:

The Dated Subordinated Notes will constitute direct, unsecured and subordinated obligations of the relevant Issuer and will rank at all times *pari passu* among themselves, as described further in Condition 3(a).

Status of Guarantee:

Notes issued by Alpha PLC will be unconditionally and irrevocably guaranteed by Alpha Bank, acting through the Guaranteeing Branch (as specified in the relevant Final Terms or the Drawdown Prospectus (as the case may be) pursuant to a Deed of Guarantee dated 16 March 2009 (the "**Guarantee**")) on a subordinated or an unsubordinated basis, as specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

Listing and Admission to Trading:

The Base Prospectus has been approved by the CSSF and each Series may be admitted to listing on the official list of the Luxembourg Stock Exchange and to trading on the regulated market of the Luxembourg Stock Exchange appearing on the list of regulated markets issued by the European Community.

The Programme also provides that Notes may be admitted to listing, trading and/or quotation by such other or further listing authority, stock exchange and/or quotations systems. The relevant Issuer may issue Notes, which are not admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system.

Governing Law:

The Notes and the Guarantee (other than Condition 3(a) when Dated Subordinated Notes are issued by Alpha Bank and Condition 3(b) and Clause 5.8 of the Guarantee when Dated Subordinated Notes are issued by Alpha PLC) and all non-contractual obligations arising out of them will be governed by English law. Condition 3(a) when Dated Subordinated Notes are issued by Alpha Bank and Condition 3(b) and Clause 5.8 of the Guarantee when Dated Subordinated Notes are issued by Alpha PLC (relating to subordination) will be governed by Greek law. Also, Condition 20 relating to the Alpha Bank Noteholders Agent will be governed by Greek law.

Risk Factors:

There are certain factors that may affect (a) the ability of either Issuer to fulfil its obligations under Notes issued by it and (b) Alpha Bank's ability to fulfil its obligations under the Guarantee. These are set out under "*Risk Factors*" below and include the fact that Alpha PLC acts as a finance vehicle for Alpha Bank. The risk factors relating to Alpha Bank are also set out under the "*Risk Factors*" below and include exposure to credit risk and market risk. In addition, there are certain factors which are material for the purpose of assessing the market risks associated with the Notes. See "*Risk Factors*" below.

There are certain factors which are material for the purpose of assessing the market risks associated with investing in any issue of Notes, which include, without limitation, the fact that Notes are unsecured obligations of the relevant Issuer, that there may be a time lag between valuation and settlement in relation to a Note, that there may be potential conflicts of interest, that market disruptions or other events may occur in respect of the particular Reference Item(s) to which the amounts payable and/or deliverable, as the case may be, in respect of the relevant Notes may relate, as specified in the applicable Final Terms or Drawdown Prospectus (as the case may be), that there may be taxation risks, that there may be illiquidity of the Notes in the secondary market, that there may be the risk that performance of the relevant Issuer's obligations under the Notes may become illegal, that there may be exchange rate risks and exchange controls and that the market value of the Notes may be affected by the creditworthiness of the relevant Issuer and a number of additional factors.

In addition, prospective investors in Reference Item Linked Notes (as defined under "*Risks relating to Reference Item Linked Notes*" in "*Risk Factors*") should understand the risks of transactions involving Reference Item Linked Notes and should reach an investment decision only after careful consideration, with their advisers, of the suitability of such Reference Item Linked Notes in light of their particular financial circumstances, the information set forth herein and the information regarding the relevant Reference Item Linked Notes and the particular Reference Item(s) to which the value of, or payments in respect of, the relevant Reference Item Linked Notes may relate, as specified in the applicable Final Terms or Drawdown Prospectus (as the case may be).

Where the applicable Final Terms or Drawdown Prospectus (as the case may be) specify one or more Reference Item(s), the relevant Notes will represent an investment linked to the performance of such Reference Item(s) and prospective investors should note that the return (if any) on their investment in the Notes will depend upon the performance of the relevant Reference Item(s).

See "*Risks relating to Reference Item Linked Notes*" in "*Risk Factors*".

PROSPECTIVE INVESTORS MUST REVIEW THE APPLICABLE FINAL TERMS OR DRAWDOWN PROSPECTUS (AS THE CASE MAY BE) TO ASCERTAIN WHAT THE RELEVANT REFERENCE ITEM(S) ARE AND TO SEE HOW BOTH ANY CASH AMOUNTS OR ASSET AMOUNTS ARE PAYABLE OR DELIVERABLE AND HOW ANY PERIODIC INTEREST PAYMENTS ARE DETERMINED AND WHEN ANY SUCH AMOUNTS ARE PAYABLE AND/OR DELIVERABLE, AS THE CASE MAY BE, BEFORE MAKING ANY DECISION TO PURCHASE ANY REFERENCE ITEM LINKED NOTES.

Selling Restrictions:

There are restrictions on the offer, sale and transfer of the Notes in the United States, the European Economic Area, Japan, France, the United Kingdom, Greece and Cyprus and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes. See "*Subscription and Sale*" below.

United States Selling Restrictions:

Regulation S; Category 2. TEFRA D.

RISK FACTORS

Each of Alpha Bank and Alpha PLC believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme and, in the case of Alpha Bank, Alpha Bank's obligations under the Guarantee. Most of these factors are contingencies which may or may not occur and Alpha Bank nor Alpha PLC is in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Each of Alpha Bank and Alpha PLC believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of Alpha Bank or Alpha PLC to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and neither Alpha Bank nor Alpha PLC represents that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision as these risk factors cannot be deemed complete.

THE PURCHASE OF NOTES MAY INVOLVE SUBSTANTIAL RISKS AND MAY BE SUITABLE ONLY FOR INVESTORS WHO HAVE THE KNOWLEDGE AND EXPERIENCE IN FINANCIAL AND BUSINESS MATTERS NECESSARY TO ENABLE THEM TO EVALUATE THE RISKS AND THE MERITS OF AN INVESTMENT IN THE NOTES. PRIOR TO MAKING AN INVESTMENT DECISION, PROSPECTIVE INVESTORS SHOULD CONSIDER CAREFULLY, IN LIGHT OF THEIR OWN FINANCIAL CIRCUMSTANCES AND INVESTMENT OBJECTIVES, (I) ALL THE INFORMATION SET FORTH IN THIS BASE PROSPECTUS AND, IN PARTICULAR, THE CONSIDERATIONS SET FORTH BELOW AND (II) ALL THE INFORMATION SET FORTH IN THE APPLICABLE FINAL TERMS. PROSPECTIVE INVESTORS SHOULD MAKE SUCH ENQUIRIES AS THEY DEEM NECESSARY WITHOUT RELYING ON THE RELEVANT ISSUER AND/OR THE GUARANTOR, IF APPLICABLE, OR ANY DEALER.

AN INVESTMENT IN NOTES LINKED TO ONE OR MORE REFERENCE ITEMS MAY ENTAIL SIGNIFICANT RISKS NOT ASSOCIATED WITH INVESTMENTS IN A CONVENTIONAL DEBT SECURITY, INCLUDING BUT NOT LIMITED TO THE RISKS SET OUT BELOW. THE AMOUNT PAID BY THE RELEVANT ISSUER ON REDEMPTION OF THE NOTES MAY BE LESS THAN THE NOMINAL AMOUNT OF THE NOTES, TOGETHER WITH ANY ACCRUED INTEREST, AND MAY IN CERTAIN CIRCUMSTANCES BE ZERO. WHERE THE NOTES ARE REDEEMED BY THE RELEVANT ISSUER BY DELIVERY OF REFERENCE ITEM(S) THE VALUE OF THE REFERENCE ITEM(S) MAY BE LESS THAN THE NOMINAL AMOUNT OF THE NOTES, TOGETHER WITH ANY ACCRUED INTEREST, AND MAY IN CERTAIN CIRCUMSTANCES BE ZERO.

CERTAIN ISSUES OF NOTES INVOLVE A HIGH DEGREE OF RISK AND POTENTIAL INVESTORS SHOULD BE PREPARED TO SUSTAIN A LOSS OF ALL OR PART OF THEIR INVESTMENT.

Prospective investors should read the entire Base Prospectus. Words and expressions defined in the "Terms and Conditions of the Notes" below or elsewhere in this Base Prospectus have the same meanings in this section. Investing in the Notes involves certain risks. Prospective investors should consider, among other things, the following:

Risk relating to the Notes

There is no active trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. Although application has been made for the Notes issued under the Programme to be admitted to trading on the regulated market of the Luxembourg Stock Exchange, there is no assurance that such application will be accepted, that any particular Tranche of Notes will be so admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed prior to maturity

Unless in the case of any particular Tranche of Notes the applicable Final Terms or the Drawdown Prospectus (as the case may be) specifies otherwise, in the event that the relevant Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the Hellenic Republic or the United Kingdom or any political subdivision thereof or any authority therein or thereof having power to tax, the relevant Issuer may redeem all outstanding Notes in accordance with the Conditions.

In addition, if in the case of any particular Tranche of Notes, the applicable Final Terms or the Drawdown Prospectus (as the case may be) specifies that the Notes are redeemable at the relevant Issuer's option in certain other circumstances, the relevant Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances, an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because the Global Notes are held on behalf of Euroclear and Clearstream, Luxembourg, investors will have to rely on their procedures for transfer, payment and communication with the relevant Issuer

Notes issued under the Programme may be represented by one or more Global Notes. Such Global Notes will be deposited with a common depository for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in the relevant Global Note, investors will not be entitled to receive definitive Notes. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Notes. While the Notes are represented by one or more Global Notes, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

While the Notes are represented by one or more Global Notes, the relevant Issuer and/or the Guarantor, if applicable, will discharge their payment obligations under the Notes by making payments to the common depository for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Note must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the relevant Notes. The relevant Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Notes.

Holders of beneficial interests in the Global Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies. Similarly, holders of beneficial interests in the Global Notes will not have a direct right under the Global Notes to take enforcement action against the relevant Issuer in the event of a default under the relevant Notes.

Finally, the relevant Issuer's credit ratings may not reflect the potential impact of the various risks that could affect the market value of the Notes. Accordingly, prospective investors should consult their own financial and legal advisers as to the risks an investment in the Notes may entail and the suitability of the Notes in light of their particular circumstances.

Taxation

Potential investors of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing Notes and receiving payments of interest, principal and/or other amounts or delivery of securities under the Notes and the consequences of such actions under the tax laws of those countries.

If Physical Delivery is specified in the applicable Final Terms as applying in relation to any Notes, all Delivery Expenses arising from the delivery of the Reference Item(s) in respect of such Note shall be for the account of the relevant Noteholder and no delivery of the Reference Item(s) shall be made until all Delivery Expenses have been paid to the satisfaction of the relevant Issuer by the relevant Noteholder.

Subordinated Notes are subordinated to most of the relevant Issuer's and the Bank's liabilities

If, in the case of any particular Tranche of Notes, the applicable Final Terms or the Drawdown Prospectus (as the case may be) specifies that the Notes are subordinated obligations of the relevant Issuer, in the event of bankruptcy, moratorium of payments, insolvency, dissolution or liquidation of the relevant Issuer and/or if the relevant Issuer is Alpha PLC, the Bank, the relevant Issuer (and, if applicable, the

Bank pursuant to the Guarantee) will be required to pay the holders of senior debt and meet its obligations to all its other creditors (including unsecured creditors but excluding any obligations in respect of subordinated debt) in full before it can make any payments on the relevant Notes. If this occurs, the relevant Issuer may not have enough assets remaining after these payments to pay amounts due under the relevant Notes.

Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Base Prospectus, the applicable Final Terms or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the currency in which such investor's financial activities are principally denominated;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of financial and/or legal advisers) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments and such Notes may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the assistance of a financial adviser) to evaluate how such Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

In addition an investment in the Equity Linked Notes and Index Linked Notes (each as defined below), or other Notes linked to one or more Reference Item(s), may entail significant risks not associated with investments in a conventional debt security, including but not limited to, the risks set out in "Risks related to the structure of a particular issue of Notes" set out below.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the relevant Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. In respect of Notes which are conventional debt securities, the relevant Issuer may be expected to redeem such Notes when its cost of borrowing is lower than the interest rate on the

Notes. At those times, an investor generally would not be able, to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Risks relating to Reference Item Linked Notes

Equity Linked Notes and Index Linked Notes (each as defined below and together “**Reference Item Linked Notes**”) involve a high degree of risk.

Prospective investors in Reference Item Linked Notes should understand the risks of transactions involving Reference Item Linked Notes and should reach an investment decision only after careful consideration, with their advisers, of the suitability of such Reference Item Linked Notes in light of their particular financial circumstances, the information set forth herein and the information regarding the relevant Reference Item Linked Notes and the particular Reference Item(s) to which the value of, or payments in respect of, the relevant Reference Item Linked Notes may relate, as specified in the applicable Final Terms or Drawdown Prospectus (as the case may be).

As the amount of interest payable periodically and/or principal payable at maturity may be linked to the performance of the relevant Reference Item(s), an investor in a Reference Item Linked Note must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the relevant Reference Item(s).

Where the applicable Final Terms or Drawdown Prospectus (as the case may be) specify one or more Reference Item(s), the relevant Reference Item Linked Notes will represent an investment linked to the economic performance of such Reference Item(s) and prospective investors should note that the return (if any) on their investment in Reference Item Linked Notes will depend upon the performance of such Reference Item(s). Potential investors should also note that whilst the market value of such Reference Item Linked Notes is linked to such Reference Item(s) and will be influenced (positively or negatively) by such Reference Item(s), any change may not be comparable and may be disproportionate. It is impossible to predict how the level of the relevant Reference Item(s) will vary over time. In contrast to a direct investment in the relevant Reference Item(s), Reference Item Linked Notes represent the right to receive payment or delivery, as the case may be, of the relevant cash amount and/or asset amount on the relevant Maturity Date as well as periodic payments of interest (if specified in the applicable Final Terms or Drawdown Prospectus (as the case may be)), all or some of which may be determined by reference to the performance of the relevant Reference Item(s). The applicable Final Terms or Drawdown Prospectus (as the case may be) will set out the provisions for the determination of any cash amount and/or asset amount and of any periodic interest payments.

PROSPECTIVE INVESTORS MUST REVIEW THE APPLICABLE FINAL TERMS OR DRAWDOWN PROSPECTUS (AS THE CASE MAY BE) TO ASCERTAIN WHAT THE RELEVANT REFERENCE ITEM(S) ARE AND TO SEE HOW BOTH ANY CASH AMOUNTS AND/OR ASSET AMOUNTS ARE PAYABLE OR DELIVERABLE AND HOW ANY PERIODIC INTEREST PAYMENTS ARE DETERMINED AND WHEN ANY SUCH AMOUNTS ARE PAYABLE AND/OR DELIVERABLE, AS THE CASE MAY BE, BEFORE MAKING ANY DECISION TO PURCHASE ANY REFERENCE ITEM LINKED NOTES.

Fluctuations in the value and/or volatility of the relevant Reference Item(s) may affect the value of the relevant Reference Item Linked Notes. Investors in Reference Item Linked Notes may risk losing their entire investment if the value of the relevant Reference Item(s) does not move in the anticipated direction.

There is no return on Reference Item Linked Notes other than the potential payment or delivery, as the case may be, of the relevant cash amount and/or asset amount on the Maturity Date and payment of any periodic interest payments.

Other factors which may influence the market value of Reference Item Linked Notes include interest rates, potential dividend or interest payments (as applicable) in respect of the relevant Reference Item(s), changes in the method of calculating the level of the relevant Reference Item(s) from time to time and market expectations regarding the future performance of the relevant Reference Item(s), its composition and such Reference Item Linked Notes.

If any of the relevant Reference Item(s) is an index, the value of such Reference Item on any day will reflect the value of its constituents on such day. Changes in the composition of such Reference Item and factors (including those described above) which either affect or may affect the value of the

constituents, will affect the value of such Reference Item and therefore may affect the return on an investment in Reference Item Linked Notes.

Subject to certain limitations applicable to Alpha Bank, either Issuer may issue several issues of Reference Item Linked Notes relating to particular Reference Item(s). However, no assurance can be given that the relevant Issuer will issue any Reference Item Linked Notes other than the Reference Item Linked Notes to which the applicable Final Terms or Drawdown Prospectus (as the case may be) relate. At any given time, the number of Reference Item Linked Notes outstanding may be substantial. Reference Item Linked Notes provide opportunities for investment and pose risks to investors as a result of fluctuations in the value of the Reference Item(s) to which such Reference Item Linked Notes relate.

Equity Linked Notes

Subject to certain restrictions applicable to Alpha Bank and Alpha PLC, either Issuer may issue Notes where the amount of principal ("**Equity Linked Redemption Notes**") and/or interest ("**Equity Linked Interest Notes**") payable is dependent upon the price of or changes in the price of an equity security or a basket of equity securities or where, depending on the price of or change in the price of an equity security or a basket of equity securities, on redemption the relevant Issuer's obligation is to deliver specified assets (together "**Equity Linked Notes**").

Potential investors in any such Notes should be aware that, depending on the terms of the Equity Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified assets may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, movements in the price of the equity security or basket of equity securities may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant price of the equity security or equity securities may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the price of the equity security or equity securities, the greater the effect on yield.

If the amount of principal and/or interest payable is determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price of the equity security or equity securities on principal and/or interest payable will be magnified.

If Disrupted Day is specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), the Calculation Agent may determine that an event giving rise to a Disrupted Day (as defined in the Terms and Conditions of the Notes) has occurred at any relevant time. Any such determination may have an effect on the timing of valuation and consequently the value of the Notes and/or may delay (i) any applicable interest payments, in the case of Equity Linked Interest Notes, or (ii) settlement in the case of Equity Linked Redemption Notes. Prospective purchasers should review the Terms and Conditions of the Notes and the applicable Final Terms or Drawdown Prospectus (as the case may be) to ascertain whether and how such provisions apply to the Notes.

If De-listing and/or Merger Event and/or Nationalisation and/or Insolvency and/or Tender Offer are specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), prospective purchasers should note that the relevant Issuer may redeem the Notes early at the Early Redemption Amount specified in the applicable Final Terms or Drawdown Prospectus (as the case may be).

In respect of Equity Linked Notes relating to an equity security or equity securities originally quoted, listed and/or dealt as of the Trade Date in a currency of a member state of the European Union that has not adopted the single currency in accordance with the Treaty establishing the European Community, as amended, if such equity security or equity securities is/are at any time after the Trade Date quoted, listed and/or dealt exclusively in euro on the relevant exchange, prospective purchasers should note that the Calculation Agent will adjust any one or more of the relevant Interest Amount and/or the Redemption Amount and/or the Asset Amount and/or the Strike Price and/or the Multiplier and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms or Drawdown Prospectus (as the case may be) as the Calculation Agent determines in its sole and absolute discretion to be appropriate to preserve the economic terms of the Notes. Prospective purchasers should also note that the Calculation Agent will make any conversion necessary for the purposes of any such adjustment as of the relevant Valuation Time at an appropriate mid-market spot rate of exchange determined by the Calculation Agent prevailing as of the relevant Valuation Time.

Where the Notes provide for Physical Delivery, the Calculation Agent may determine that a Settlement Disruption Event is subsisting and/or where "Failure to Deliver due to Illiquidity" is specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), that it is impossible or impracticable to deliver when due some or all of the assets due to be delivered due to illiquidity in the relevant market. A Settlement Disruption Event is an event beyond the control of the relevant Issuer, as a result of which, in the opinion of the Calculation Agent, delivery of the specified assets to be delivered by or on behalf of the relevant Issuer and/or the Guarantor, if applicable, in accordance with the Terms and Conditions of the Notes and/or the applicable Final Terms or Drawdown Prospectus (as the case may be), is not practicable. Any such determination may affect the value of the Notes and/or may delay settlement in respect of the Notes.

The market price of such Notes may be volatile and may be indicatively affected by the time remaining to the redemption date, the volatility of the equity security or equity securities, the dividend rate (if any) and the financial results and prospects of the issuer or issuers of the relevant equity security or equity securities as well as economic, financial and political events in one or more jurisdictions, including factors affecting the stock exchange(s) or quotation system(s) on which any such securities may be traded.

Index Linked Notes

Subject to certain restrictions applicable to Alpha Bank and Alpha PLC either Issuer may issue Notes where the amount of principal ("**Index Linked Redemption Notes**") and/or interest ("**Index Linked Interest Notes**") payable is dependent upon the level, or changes in the level, of an index or a basket of indices (together "**Index Linked Notes**").

Potential investors in any such Notes should be aware that, depending on the terms of the Index Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest may occur at a different time than expected and (iii) they may lose all or a substantial portion of their principal investment. In addition, movements in the level of the index or basket of indices may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant level of the index or indices may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the level of an index or result of a formula, the greater the effect on yield.

If the amount of principal and/or interest payable is determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the level of the index or the indices on principal and/or interest payable will be magnified.

If Disrupted Day is specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), the Calculation Agent may determine that an event giving rise to a Disrupted Day has occurred at any relevant time. Any such determination may have an effect on the timing of valuation and consequently the value of the Notes and/or may delay (i) any applicable interest payments, in the case of Index Linked Interest Notes, or (ii) settlement, in the case of Index Linked Redemption Notes. Prospective purchasers should review the Terms and Conditions of the Notes and the applicable Final Terms or Drawdown Prospectus (as the case may be) to ascertain whether and how such provisions apply to the Notes.

If an Index Adjustment Event occurs, prospective purchasers should note that the relevant Issuer may redeem the Notes early at the Early Redemption Amount specified in the applicable Final Terms or Drawdown Prospectus (as the case may be).

The market price of such Notes may be volatile and may be indicatively affected by the time remaining to the redemption date and the volatility of the level of the index or indices. The level of the index or indices may be affected by the economic, financial and political events in one or more jurisdictions, including the stock exchange(s) or quotation system(s) on which any securities comprising the index or indices may be traded.

Additional Disruption Events (Index Linked Notes and Equity Linked Notes only)

If Additional Disruption Events are specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be), the Notes will be subject to adjustment or may be redeemed upon the occurrence of any of the Additional Disruption Events specified as applying in the applicable Final Terms or Drawdown Prospectus (as the case may be).

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the “**EU Savings Directive**”), Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland) with effect from the same date (in certain cases on a reciprocal basis).

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the relevant Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuers are required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the EU Savings Directive.

Further information can be found in the Taxation section under the heading “*EU Savings Directive – General*”.

Trading in the clearing systems

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

In definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Global Credit Market Conditions

Investors should note that, in view of prevailing and widely reported global credit market conditions (which continue at the date hereof) the secondary market for the Notes may be illiquid. The relevant Issuer cannot predict when these circumstances will change.

Risks relating to Alpha Bank AE and to Alpha Credit Group PLC

Factors that may affect Alpha PLC’s ability to fulfil its obligations under Notes issued by it under the Programme

Alpha PLC is a finance vehicle whose principal purpose is to raise debt to be deposited with Alpha Bank. Accordingly, Alpha PLC has no trading assets and does not generate trading income. Notes issued by Alpha PLC under the Programme are guaranteed on a subordinated or an unsubordinated basis by Alpha Bank, as specified in the applicable Final Terms, pursuant to the Guarantee. Accordingly, if Alpha Bank’s financial condition was to deteriorate, Alpha PLC and investors in Notes issued by Alpha PLC may suffer direct and materially adverse consequences.

Factors that may affect Alpha Bank’s ability to fulfil its obligations under Notes issued by it under the Programme and under the Guarantee

Economic activity in Greece

Alpha Bank’s business activities are dependent on the level of banking, finance and financial services required by its customers. In particular, levels of borrowing are heavily dependent on customer confidence, employment trends, the state of the economy and market interest rates at the time. As

Alpha Bank currently conducts the majority of its business in Greece, its performance is influenced by the level and cyclical nature of business activity in Greece, which is in turn affected by both domestic and international economic and political events. There can be no assurance that a weakening in the Greek economy will not have a material effect on Alpha Bank's future results.

Alpha Bank conducts significant international activities and is expanding in emerging markets.

Apart from its operations in Greece, the Bank has built up substantial operations in Romania and Cyprus and has proceeded with either organic growth or acquisitions on a smaller scale in Bulgaria, Serbia, FYROM and Albania. The Bank's international operations are exposed to the risk of adverse political, governmental or economic developments in the countries in which it operates. These risks are elevated when compared to the risks associated with investments in other countries in Europe and to an increasing extent, the Bank's operational and financial performance is impacted by the macroeconomic conditions and economic activity levels in Southeast Europe. In addition, most of the countries outside Greece in which the Bank operates are emerging markets where the Bank faces particular operating risks. These factors could have a material adverse effect on the Group's financial condition and results of operations. The Bank's international operations also expose it to foreign currency risk. A decline in the value of the currencies in which the Bank's international subsidiaries receive their income or hold their assets relative to the value of the euro may have an adverse effect on the Bank's financial condition and results of operations. Given the emerging nature of these countries, foreign currency exposure carries additional risk due to the volatile nature of these currencies and the potential for sharp fluctuations in the asset value of these operations against the Bank's core operational currency during and between reporting dates. Although the Bank has attempted to hedge against such risks, its hedging strategies may not fully cover losses in all foreign currency fluctuation scenarios.

The Bank is actively pursuing expansion of its international market position, through both organic growth and strategic acquisitions in Southeast Europe. The Bank is constantly evaluating a number of acquisition candidates and organic growth plans in these regions and, consequently, the Bank anticipates that its operations will increasingly be exposed to risks associated with business operations in these emerging markets and could potentially be exposed to risks from future acquisitions, if any.

Risks related to Alpha Bank's business

As a result of its business activities, Alpha Bank is exposed to a variety of risks, the most significant of which are credit risk, market risk, operational risk and liquidity risk. Failure to control these risks could result in material adverse effects on Alpha Bank's financial performance and reputation.

Credit Risk

Risks arising from changes in credit quality and the recoverability of loans and amounts due from counterparties are inherent in a wide range of Alpha Bank's businesses. Adverse changes in the credit quality of Alpha Bank's borrowers and counterparties or a general deterioration in the Greek, U.S. or global economic conditions, or arising from systematic risks in the financial systems, could affect the recoverability and value of Alpha Bank's assets and require an increase in Alpha Bank's provision for bad and doubtful debts and other provisions.

Market Risk

The most significant market risks that Alpha Bank faces are interest rate, foreign exchange and bond and equity price risks. Changes in interest rate levels, yield curves and spreads may affect the interest rate margin realised between lending and borrowing costs. Changes in currency rates affect the value of assets and liabilities denominated in foreign currencies and may affect income from foreign exchange dealing. The performance of financial markets may cause changes in the value of Alpha Bank's investment and trading portfolios. Alpha Bank has implemented risk management methods to mitigate and control these and other market risks to which Alpha Bank is exposed and exposures are constantly measured and monitored. However, it is difficult to predict with accuracy changes in economic or market conditions and to anticipate the effects that such changes could have on Alpha Bank's financial performance and business operations.

Operational Risk

Alpha Bank's businesses are dependent on the ability to process a very large number of transactions efficiently and accurately. Operational risk and losses can result from fraud, errors by employees, failure to document transactions properly or to obtain proper internal authorisation, failure to comply with

regulatory requirements and conduct of business rules, equipment failures, natural disasters or the failure of external systems, for example, those of Alpha Bank's suppliers or counterparties. Although Alpha Bank has implemented risk controls and loss mitigation actions, and substantial resources are devoted to developing efficient procedures and to staff training, it is not possible to implement procedures which are fully effective in controlling each of the operational risks.

Liquidity Risk

The inability of a bank, including Alpha Bank, to anticipate and provide for unforeseen decreases or changes in funding sources could have an adverse effect on such bank's ability to meet its obligations when they fall due.

Impact of Regulatory Changes

Alpha Bank is subject to financial services laws, regulations, administrative actions and policies in each location that Alpha Bank operates. Changes in supervision and regulation, in particular in Greece, could materially affect Alpha Bank's business, the products and services offered or the value of its assets. Although Alpha Bank works closely with its regulators and continually monitors the situation, future changes in regulation, fiscal or other policies can be unpredictable and are beyond the control of Alpha Bank.

International Financial Reporting Standards ("IFRS")

Alpha Bank has adopted IFRS for reporting periods beginning 1 January 2005 and thereafter. These standards are, in a number of ways, different from existing generally accepted accounting principles in Greece and their implementation may have a significant effect on the presentation of Alpha Bank's financial statements.

Macro-economic environment

Since the second half of 2007, disruption in the global credit markets, coupled with the re-pricing of credit risk and the deterioration of the housing markets in the United States and elsewhere, created increasingly difficult conditions in the financial markets.

Among the sectors of the global credit markets that are experiencing particular difficulty due to the current crisis are the markets associated with sub-prime mortgage backed securities, asset backed securities, collateralised debt obligations, leveraged finance and complex structured securities. These conditions have resulted in high volatility, less liquidity or no liquidity, widening of credit spreads and a lack of price transparency in certain markets.

The devaluation of equity markets also impacted investments held in trading and available for sale portfolios with direct negative consequences in capital markets results and fair value reserve respectively. Pension fund assets were negatively impacted by the poor market conditions leading to negative impact in solvency ratios and the increase of actuarial differences amortisation.

Most recently, these conditions have resulted in the failures of a number of financial institutions in the United States and Europe and unprecedented action by governmental authorities, regulators and central banks around the world. It is difficult to predict how long these conditions will exist and how Alpha Bank's investments and markets will be affected.

These conditions may be exacerbated by persisting volatility in the financial sector and the capital markets, or concerns about, or a default by, one or more institutions, which could lead to significant market-wide liquidity problems, losses or defaults by other institutions. Further, it is not possible to predict what structural and/or regulatory changes may result from the current market conditions or whether such changes may be materially adverse to Alpha Bank.

If current market conditions and circumstances deteriorate further, or continue for protracted periods of time, this could also lead to a decline in available funding, credit quality and increases in defaults and non performing debt, which may have a negative impact on Alpha Bank's financial performance.

Soundness of other financial institutions

Alpha Bank is exposed to many different counterparties in the normal course of its business; hence its exposure to counterparties in the financial services industry is significant. This exposure can arise through trading, lending, deposit-taking, clearance and settlement and numerous other activities and relationships. These counterparties include institutional clients, brokers and dealers, commercial banks,

investment banks and mutuals. Many of these relationships expose Alpha Bank to credit risk in the event of default of a counterparty or client. In addition, Alpha Bank's credit risk may be exacerbated when the collateral it holds cannot be realised at, or is liquidated at prices not sufficient to recover, the full amount of the loan or derivative exposure it is due to cover. Many of the hedging and other risk management strategies utilised by Alpha Bank also involve transactions with financial services counterparties. The insolvency of these counterparties may impair the effectiveness of Alpha Bank's hedging and other risk management strategies, which could in turn affect Alpha Bank's financial condition and results of operations.

The Bank's management and business decisions may be materially affected by the veto powers of the representative of the Hellenic Republic appointed in the Bank's board following the Bank's submission to the liquidity support scheme

On 9 December 2008, Law 3723/2008 on "Liquidity Support of the Economy for mitigating consequences of the international financial and credit crisis and other provisions" was enacted ("**Law 3723/2008**") by virtue of which the Hellenic Republic established a voluntary scheme for the capitalisation and liquidity support of credit institutions licensed by the Bank of Greece (the "**Support Scheme**"). So long as a credit institution remains within the ambit of the Support Scheme the Hellenic Republic is entitled by force of Law 3723/2008 to appoint a representative in the board of directors of such credit institution (the "**Representative**"). The Representative has extensive veto powers on any decision of the board or the shareholders' assembly concerning dividend distribution and remuneration policy of the credit institution as well as on issues affecting the interests of its depositors or the capital adequacy and proper operations thereof. Alpha Bank has voluntarily accepted the Support Scheme. Consequently, so long as the Bank remains within the Support Scheme significant business decisions of management may be affected by the extensive veto rights of the Representative appointed in the Bank's board.

The relevant Issuer and/or the Guarantor, if applicable, has undertaken, in connection with the admission to trading of Notes on the Luxembourg Stock Exchange, so long as any Note remains outstanding and admitted to trading on such exchange, in the event of any significant new factor, material mistake or inaccuracy relating to the information included in this Base Prospectus, to prepare a further supplement to this Base Prospectus or publish a new Base Prospectus for use in connection with any subsequent issue of Notes to be admitted to trading on the Luxembourg Stock Exchange.

GENERAL DESCRIPTION OF THE PROGRAMME

The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, or annexed to, the Notes, as supplemented by the applicable Final Terms attached to, or endorsed on, such Notes, as more fully described under "*Form of the Notes*" below.

Notes issued under the Programme may be issued pursuant to this Base Prospectus and associated Final Terms or pursuant to a Drawdown Prospectus prepared in connection with a particular Tranche of Notes. Accordingly, references to terms and conditions and other items being as set out in this Base Prospectus and relevant Final Terms should, as the context requires, be construed as being as set out in the relevant Drawdown Prospectus and references to Final Terms should be construed as referring to the Drawdown Prospectus as applicable.

This Base Prospectus and any future supplement to this Base Prospectus will only be valid for the listing of Notes on the official list of the Luxembourg Stock Exchange and to trading on the regulated market of the Luxembourg Stock Exchange (within the scope of the MiFID) in an aggregate principal amount which, when added to the aggregate principal amount then outstanding of all Notes previously or simultaneously issued under this Programme, does not exceed EUR 30,000,000,000 (or its equivalent in other currencies). For the purpose of calculating the euro equivalent of the aggregate principal amount of Notes issued under the Programme from time to time:

- (a) the euro equivalent of Notes denominated in another Specified Currency (as hereafter defined) shall be determined as of the date of agreement to issue such Notes (the "**Agreement Date**") on the basis of the forward rate for the sale of the euro against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading bank selected by the relevant Issuer on the Agreement Date;
- (b) the euro equivalent of Dual Currency Notes, Equity Linked Notes and Index Linked Notes (each as hereafter defined) shall be calculated in the manner specified above by reference to the original principal amount of such Notes;
- (c) the principal amount of Zero Coupon Notes (as hereafter defined) and other Notes issued at a discount or a premium shall be deemed to be the net proceeds received by the relevant Issuer for the relevant issue of Notes; and
- (d) the face principal amount of Partly Paid Notes (as hereafter defined) will be taken into account regardless of the amount of the subscription price paid.

FINAL TERMS AND DRAWDOWN PROSPECTUSES

In this section the expression “necessary information” means, in relation to any Tranche of Notes, the information necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuers and of the rights attaching to the Notes. In relation to the different types of Notes which may be issued under the Programme the Issuers have endeavoured to include in this Base Prospectus all of the necessary information except for information relating to the Notes which is not known at the date of this Base Prospectus and which can only be determined at the time of an individual issue of a Tranche of Notes.

Any information relating to the Notes which is not included in this Base Prospectus and which is required in order to complete the necessary information in relation to a Tranche of Notes will be contained either in the relevant Final Terms or in a Drawdown Prospectus. Such information will be contained in the relevant Final Terms unless any of such information constitutes a significant new factor relating to the information contained in this Base Prospectus in which case such information, together with all of the other necessary information in relation to the relevant series of Notes, may be contained in a Drawdown Prospectus.

For a Tranche of Notes which is the subject of Final Terms, those Final Terms will, for the purposes of that Tranche only be read in conjunction with this Base Prospectus. The terms and conditions applicable to any particular Tranche of Notes which is the subject of Final Terms are the Conditions as supplemented, amended and/or replaced to the extent described in the relevant Final Terms.

The terms and conditions applicable to any particular Tranche of Notes which is the subject of a Drawdown Prospectus will be the Conditions as supplemented, amended and/or replaced to the extent described in the relevant Drawdown Prospectus. In the case of a Tranche of Notes which is the subject of a Drawdown Prospectus, each reference in this Base Prospectus to information being specified or identified in the relevant Final Terms shall be read and construed as a reference to such information being specified or identified in the relevant Drawdown Prospectus unless the context requires otherwise.

Each Drawdown Prospectus will be constituted either (1) by a single document containing the necessary information relating to the Issuer and the relevant Notes or (2) by a registration document (the “**Registration Document**”) containing the necessary information relating to the Issuer, a securities note (the “**Securities Note**”) containing the necessary information relating to the relevant Notes and, if necessary, a summary note. In addition, if the Drawdown Prospectus is constituted by a Registration Document and a Securities Note, any significant new factor, material mistake or inaccuracy relating to the information included in the Registration Document which arises or is noted between the date of the Registration Document and the date of the Securities Note which is capable of affecting the assessment of the relevant Notes will be included in the Securities Note.

FORM OF THE NOTES

Each Tranche of Notes will be in bearer form and will (unless otherwise specified in the applicable Final Terms or Drawdown Prospectus (as the case may be) be initially represented by a temporary global Note without receipts, interest coupons or talons. Each temporary global Note which is not intended to be issued in NGN form, as specified in the relevant Final Terms will be delivered on or prior to the original issue date of the relevant Tranche to a common depository for Euroclear and Clearstream, Luxembourg and each temporary global Note which is intended to be issued in NGN form, as specified in the relevant Final Terms, will be deposited on or around the original issue date of the relevant Tranche of Notes with a common safekeeper for Euroclear and/or Clearstream, Luxembourg. Whilst any Note is represented by a temporary global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the temporary global Note if the temporary global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not US persons or persons who have purchased for resale to any US person, as required by US Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Agent. Any reference in this section "*Form of the Notes*" to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system approved by the relevant Issuer and the Agent, and in case of issue of Alpha Bank Notes (as defined below) by the Alpha Bank Noteholders Agent (as defined below).

On 13 June 2006 the European Central Bank (the "**ECB**") announced that Notes in NGN form are in compliance with the "Standards for the use of EU securities settlement systems in ESCB credit operations" of the central banking system for the euro ("**Eurosystem**"), provided that certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Notes in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible for collateral for Eurosystem operations if the NGN form is used.

On and after the date (the "**Exchange Date**") which is the later of (i) 40 days after the date on which any temporary global Note is issued and (ii) 40 days after the completion of the distribution of the relevant Tranche, as certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant lead manager (in the case of a syndicated issue) (the "**Distribution Compliance Period**") but, if such temporary global Note is issued in respect of a Tranche of Notes described as Partly Paid Notes in the applicable Final Terms or the Drawdown Prospectus (as the case may be), only if the final instalment on all outstanding such Notes has been paid, interests in such temporary global Note will be exchangeable (free of charge) upon request as described therein either for interests in a permanent global Note without receipts, interest coupons or talons, or for definitive Notes with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be) and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be)) in each case against certification of beneficial ownership as described in the immediately preceding paragraph. The holder of a temporary global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the temporary global Note for an interest in a permanent global Note or for definitive Notes is improperly withheld or refused.

Pursuant to the Agency Agreement (as defined under "*Terms and Conditions of the Notes*" below) the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single series with an existing Tranche of Notes, the Notes of such further Tranche shall be temporarily assigned a common code and ISIN by Euroclear and Clearstream, Luxembourg which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the Distribution Compliance Period applicable to Notes of such Tranche.

In case of issue of Notes by Alpha Bank to which Law 3156/2003 applies and for the purposes of which the appointment of an Alpha Bank Noteholders Agent (as defined below) is required (if so), as per Law 3156/2003 (the "**Alpha Bank Notes**"), Alpha Bank shall appoint an agent of the holders of Alpha Bank Notes (the "**Alpha Bank Noteholders Agent**") in accordance with Condition 20 of the Notes below.

Payments of principal, interest (if any) or any other amounts on a permanent global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the permanent global Note if the permanent global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms or the Drawdown Prospectus (as the case may be) will specify that either (i) a permanent global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, receipts, interest coupons and talons attached upon not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such permanent global Note) to the Agent and, in case of issue of Alpha Bank Notes, to the Alpha Bank Noteholders Agent as described therein or (ii) a permanent global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, receipts, interest coupons and talons attached only upon the occurrence of an Exchange Event as described therein. "**Exchange Event**" means (i) in the case of Senior Notes, an Event of Default has occurred and is continuing or in the case of Dated Subordinated Notes any Subordinated Default Event has occurred and is continuing, (ii) the relevant Issuer has been notified that either Euroclear or Clearstream, Luxembourg has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system is available or (iii) at the option of the relevant Issuer at any time; provided that, in the case of an issue of Notes with denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, only Exchange Events (i) or (ii) will apply. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 18 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event as described in (i) or (ii) above, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such permanent global Note) may give notice to the Agent and, in case of issue of Alpha Bank Notes, to the Alpha Bank Noteholders Agent requesting exchange and in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may give notice to the Agent and, in case of issue of Alpha Bank Notes, to the Alpha Bank Noteholders Agent requesting exchange. Any such exchange shall not occur not later than 30 days after the date of receipt of the first relevant notice by the Agent and, in case of issue of Alpha Bank Notes, to the Alpha Bank Noteholders Agent.

The following legend will appear on all global Notes, definitive Notes, receipts, interest coupons and talons:

"Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

The sections referred to provide that holders who are United States persons (as defined in the United States Revenue Code of 1986, as amended), with certain exceptions, will not be entitled to deduct any loss on any Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Notes, receipts or interest coupons.

In the event that a global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of the Notes or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made in accordance with the provisions of the global Note then, unless within the period of seven days commencing on the relevant due date payment in full of the amount due in respect of the global Note is received by the bearer in accordance with the provisions of the global Note, the global Note will become void at 8.00 p.m. (London time) on such seventh day and the bearer will have no further rights under the global Note. At the same time, holders of interest in such global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg, as the case may be, will become entitled to proceed directly against the relevant Issuer on the basis of statements of account provided by Euroclear and Clearstream, Luxembourg, on and subject to the terms of an amended and restated deed of covenant (the "**Deed of Covenant**") dated 16 March 2009 executed by the Issuers.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each global Note and each definitive Note, in the latter case only if permitted by the relevant stock exchange (if any) and agreed by the relevant Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, each definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The term "Issuer" as used in these Terms and Conditions refers to the Issuer specified as such in the applicable Final Terms or the Drawdown Prospectus (as the case may be) in relation to a particular Tranche of Notes. The applicable Final Terms or the Drawdown Prospectus (as the case may be) in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms or the Drawdown Prospectus (as the case may be) (or the relevant provisions thereof) will be endorsed upon, or attached to, each global Note and each definitive Note. Reference should be made to "Form of the Notes and the Final Terms or the Drawdown Prospectus" for a description of the content of Final Terms or the Drawdown Prospectus (as the case may be) which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series of notes issued by the Issuer specified as such in the applicable Final Terms or the Drawdown Prospectus (as the case may be) (as defined below), being either Alpha Credit Group PLC ("**Alpha PLC**") or Alpha Bank AE ("**Alpha Bank**"), acting through its Issuing Branch (as specified in the applicable Final Terms) (together the "**Issuers**") the notes of such Series being hereinafter called the "**Notes**"; which expression shall mean (i) in relation to any Notes represented by a global Note, units of each Specified Denomination in the Specified Currency, (ii) definitive Notes issued in exchange for a global Note and (iii) any global Note each as issued in accordance with an amended and restated Fiscal Agency Agreement (the "**Agency Agreement**"; which expression shall include any amendments or supplements thereto) dated 16 March 2009 and made between the Alpha PLC, Alpha Bank and Citibank, N.A. in its capacity as Issuing and Principal Paying Agent (the "**Agent**"; which expression shall include any successor to Citibank, N.A. in its capacity as such) and the other Paying Agents named therein (the "**Paying Agents**"; which expression shall include the Agent and any substitute or additional Paying Agents appointed in accordance with the Agency Agreement).

The Notes, the Receipts and the Coupons (each as defined below) have the benefit of an amended and restated deed of covenant (the "**Deed of Covenant**"; which expression shall include any amendments or supplements thereto) dated 16 March 2009 executed by the Issuers in relation to the Notes. The original Deed of Covenant is held by the common depositary for Euroclear and Clearstream, Luxembourg (each as defined below).

Notes issued by Alpha PLC are the subject of a deed of guarantee (the "**Guarantee**") dated 16 March 2009 (as amended or supplemented from time to time, the "**Deed of Guarantee**") entered into by Alpha Bank (in such capacity, the "**Guarantor**").

Interest bearing definitive Notes will (unless otherwise indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be)) have interest coupons ("**Coupons**") and, if indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be), talons for further Coupons ("**Talons**") attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Notes repayable in instalments will have receipts ("**Receipts**") for the payment of the instalments of principal (other than the final instalment) attached on issue.

The Final Terms or the Drawdown Prospectus (as the case may be) for this Note (or the relevant provisions thereof) is attached hereto or endorsed hereon and supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, supplement, replace or modify these Terms and Conditions for the purposes of this Note. References herein to "**applicable Final Terms or the Drawdown Prospectus (as the case may be)**" are to the Final Terms or the Drawdown Prospectus (as the case may be) attached hereto or endorsed hereon.

The Final Terms or the Drawdown Prospectus (as the case may be) for each Tranche of Notes will state in particular whether this Note is (i) a senior Note (a "**Senior Note**") or (ii) a dated subordinated Note (a "**Dated Subordinated Note**").

In case of issue of Notes by Alpha Bank to which Law 3156/2003 applies and for the purposes of which the appointment of an Alpha Bank Noteholders Agent (as defined below) is required (if so), as per Law 3156/2003 (the “**Alpha Bank Notes**”), Alpha Bank shall appoint an agent of the holders of Alpha Bank Notes (the “**Alpha Bank Noteholders Agent**”) in accordance with Condition 20 of the Notes below.

Alpha Bank will not issue Alpha Bank Notes in the form of Index Linked Notes, Equity Linked Notes (each as defined below) and/or Notes linked to one or more Reference Items (as defined below) the Redemption Amount (as defined below) of which, as payable upon Redemption (as defined below) may be less than the nominal amount invested in such Notes.

Also, Alpha Bank will not issue Equity Linked Notes providing for redemption by physical delivery of Alpha Bank shares and Alpha PLC will not issue Equity Linked Notes providing for redemption by physical delivery of Alpha Bank shares or other Reference Item(s) (as defined below) triggering the application of the Greek Financial Assistance Rules.

As used herein, “**Tranche**” means Notes which are identical in all respects (including as to listing) and “**Series**” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Any reference to “**Noteholders**” or “**holders**” in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a global Note, be construed as provided below. Any reference to “**Alpha Bank Noteholders**” in relation to any Notes shall mean the holders of Alpha Bank Notes, as defined in Condition 20 below, and shall, in relation to any Notes represented by a global Note, be construed as provided below. Any reference herein to “**Receiptholders**” shall mean the holders of the Receipts and any reference herein to “**Couponholders**” shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

Certain provisions of these Conditions are summaries of the Agency Agreement and the Deed of Guarantee and subject to their detailed provisions. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant, the Deed of Guarantee and the applicable Final Terms or the Drawdown Prospectus (as the case may be) which are applicable to them. Copies of the Agency Agreement, the Deed of Covenant and the Deed of Guarantee are available for inspection and copies of the applicable Final Terms or the Drawdown Prospectus (as the case may be) may be obtained during normal business hours at the specified office of each of the Agent and the other Paying Agents and, in case of issue of Alpha Bank Notes, of the Alpha Bank Noteholders Agent, save that, if this Note is an unlisted Note of a Series, the applicable Final Terms or the Drawdown Prospectus (as the case may be) may only be obtained by a Noteholder holding one or more unlisted Notes of any Series and such Noteholder must produce evidence satisfactory to the relevant Paying Agent as to its holding of Notes and as to identity.

Words and expressions defined in the Agency Agreement, the Deed of Covenant or the Deed of Guarantee or which are used in the applicable Final Terms or the Drawdown Prospectus (as the case may be) shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement, Deed of Covenant or the Deed of Guarantee and the applicable Final Terms or the Drawdown Prospectus (as the case may be), the applicable Final Terms or the Drawdown Prospectus (as the case may be) will prevail.

1. Form, Denomination and Title

The Notes are in bearer form in the Specified Currency and the Specified Denomination(s) and, in the case of definitive Notes, serially numbered. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination provided that in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive (Directive 2003/71/EC), the minimum denomination shall be €1,000 (or its equivalent in any other currency as at the date of issue of the Notes).

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Equity Linked Interest Note, an Index Linked Interest Note, a Dual Currency Interest Note or a combination of any of

the foregoing, depending upon the Interest Basis shown in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

This Note may be an Equity Linked Redemption Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Redemption Note or a Partly Paid Note or a combination of any of the foregoing, depending upon the Redemption/Payment Basis shown in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

This Note may be a Senior Note or a Dated Subordinated Note depending upon the Status of the Notes shown in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable. Instalment Notes in definitive form are issued with Receipts attached.

Subject as set out below, title to the Notes, Receipts and Coupons will pass by delivery. Except as ordered by a court of competent jurisdiction or as required by law, the Issuer and any Paying Agent shall (subject as provided below) be entitled to deem and treat (and no such person will be liable for so deeming and treating) the bearer of any Note, Receipt or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a global Note held on behalf of Euroclear Bank S.A./N.V. ("**Euroclear**") and/or Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**") each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the relevant Issuer and/or the Guarantor, if applicable, the Agent, any other Paying Agent and, in case of issue of Alpha Bank Notes, the Alpha Bank Noteholders Agent as the holder of such nominal amount of Notes for all purposes other than with respect to the payment of principal or interest on such Notes, for which purpose the bearer of the relevant global Note shall be treated by the relevant Issuer and/or the Guarantor, if applicable, the Agent, any other Paying Agent and, in case of issue of Alpha Bank Notes, the Alpha Bank Noteholders Agent as the holder of such nominal amount of Notes in accordance with and subject to the terms of the relevant global Note (and the expressions "**Noteholder**", "**holder of Notes**" and "**Alpha Bank Noteholders**" and related expressions shall be construed accordingly). Notes which are represented by a global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear or of Clearstream, Luxembourg, as the case may be.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system approved by the relevant Issuer and/or the Guarantor, if applicable, and the Agent and specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

2. Status of the Senior Notes and the Guarantee in respect of Senior Notes issued by Alpha PLC

- (a) If the Notes are specified as Senior Notes in the applicable Final Terms or the Drawdown Prospectus (as the case may be), the Notes and any relative Receipts and Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 4) unsecured obligations of the Issuer which will at all times rank *pari passu* without any preference among themselves and at least *pari passu* with all other present and future unsecured (subject as aforesaid) and unsubordinated obligations of the Issuer, save for such obligations as may be preferred by mandatory provisions of law.
- (b) The obligations of the Guarantor under the Guarantee in respect of Senior Notes issued by Alpha PLC constitute direct, general, unconditional and unsubordinated obligations of the Guarantor which will at all times rank at least *pari passu* with all other present and future unsecured (subject as aforesaid) and unsubordinated obligations of the Guarantor, save for such obligations as may be preferred by mandatory provisions of law.

3. Status of Dated Subordinated Notes and the Guarantee in respect of Dated Subordinated Notes

- (a) The Notes are and will be, direct, unsecured and subordinated obligations of the Issuer and rank at all times *pari passu* among themselves.

The claims of the Noteholders will be subordinated to the claims of Senior Creditors of the Issuer (as defined below) in that payments of principal and interest in respect of the Notes (whether in the winding up of the Issuer or otherwise) will be conditional upon the Issuer being solvent at the time of payment by the Issuer and in that no principal or interest shall be payable in respect of the Notes (whether in the winding up of the Issuer or otherwise) except to the extent that the Issuer could make such payment and still be solvent immediately thereafter. For this purpose, the Issuer shall be considered to be solvent if it can pay principal and interest in respect of the Notes and still be able to pay its outstanding debts to Senior Creditors of the Issuer, which are due and payable.

“Senior Creditors of the Issuer” means creditors of the Issuer (a) who are unsubordinated creditors of the Issuer, or (b) who are subordinated creditors of the Issuer whose claims are expressed to rank in priority to the claims of the holders of Dated Subordinated Notes (whether only in the winding up of the Issuer or otherwise).

In case of dissolution, liquidation and/or bankruptcy of the Issuer the holders of Dated Subordinated Notes will only be paid by the Issuer after all Senior Creditors of the Issuer have been paid in full and the holders of Dated Subordinated Notes irrevocably waive their right to be treated equally with all other unsecured, unsubordinated creditors of the Issuer in such circumstances.

- (b) The payment of principal and interest in respect of the Dated Subordinated Notes has been irrevocably guaranteed on a subordinated basis by the Guarantor.

All claims under the Guarantee will be subordinated to the claims of Senior Creditors of the Guarantor (as defined below) in that payments under the Guarantee (whether in the winding up of the Guarantor or otherwise) will be conditional upon the Guarantor being solvent at the time of payment by the Guarantor and in that no amount shall be payable under the Guarantee (whether in the winding up of the Guarantor or otherwise) except to the extent that the Guarantor could make such payment and still be solvent immediately thereafter. For this purpose, the Guarantor shall be considered to be solvent if it can pay principal and interest in respect of the Dated Subordinated Notes and still be able to pay its outstanding debts to Senior Creditors of the Guarantor, which are due and payable.

“Senior Creditors of the Guarantor” means creditors of the Guarantor (a) who are unsubordinated creditors of the Guarantor, or (b) who are subordinated creditors of the Guarantor whose claims are expressed to rank in priority to the claims of the holders of Dated Subordinated Notes or other persons claiming under the Guarantee (whether only in the winding up of the Guarantor or otherwise).

In case of dissolution, liquidation and/or bankruptcy of the Guarantor the holders of Dated Subordinated Notes will only be paid by the Guarantor after all Senior Creditors of the Guarantor have been paid in full and the holders of Dated Subordinated Notes irrevocably waive their right to be treated equally with all other unsecured, unsubordinated creditors of the Guarantor.

4. Negative Pledge

This Condition 4 shall apply only to Senior Notes and references to “Notes” and “Noteholders” shall be construed accordingly. So long as any of the Notes remains outstanding (as defined in the Agency Agreement), neither the Issuer nor the Guarantor (if applicable) shall create or permit to be outstanding any mortgage, charge, lien, pledge or other similar encumbrance or security interest upon the whole or any part of its undertaking or assets, present or future (including any uncalled capital), to secure any Indebtedness (as defined below) or any guarantee or indemnity given in respect of any Indebtedness, without, in the case of the creation of an encumbrance or security interest, at the same time and, in any other case, promptly according to the Noteholders an equal and rateable interest in the same or providing to the Noteholders such other security as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders save that the Issuer or the Guarantor (if applicable) may create or permit to subsist a security interest to secure Indebtedness and/or any

guarantee or indemnity given in respect of Indebtedness of any person, in each case as aforesaid, (but without the obligation to accord or provide to the Noteholders either, an equal and rateable interest in the same or such other security as aforesaid) where such security interest:

- (a) is created pursuant to any securitisation, asset-backed financing or like arrangement in accordance with normal market practice and whereby the amount of Indebtedness secured by such security interest or in respect of which any guarantee or indemnity is secured by such security interest is limited to the value of the assets secured; or
- (b) is granted in relation to assets-backed bonds issued by Alpha Bank under Greek law as “covered bonds”

“**Indebtedness**” means any borrowings having an original maturity of more than one year in the form of or represented by bonds, notes, debentures or other securities which, with the consent of the Issuer are, or are intended to be, listed or traded on any stock exchange, over-the-counter or other organised market for securities (whether or not initially distributed by way of private placing).

5. Interest

If the Notes are specified in the applicable Final Terms as Index Linked Interest Notes, then the provisions of this Condition 5 are subject to Condition 8. If the Notes are specified in the applicable Final Terms as Equity Linked Interest Notes, then the provisions of this Condition 5 are subject to Condition 9.

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) at the rate(s) per annum equal to the Rate(s) of Interest so specified payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date so specified if that does not fall on an Interest Payment Date.

Except as provided in the applicable Final Terms or the Drawdown Prospectus (as the case may be), the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on such date shall be the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be), amount to the Broken Amount so specified.

As used in these Terms and Conditions, “**Fixed Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. The amount of interest in respect of each Calculation Amount will be aggregated for each Note of each Specified Denomination.

“**Calculation Amount**” will be as specified in the applicable Final Terms.

“**Day Count Fraction**” means, in respect of the calculation of an amount for any period of time (the “**Calculation Period**”), such day count fraction as may be specified in these Conditions or the applicable Final Terms or the Drawdown Prospectus (as the case may be) and:

- (i) if “**Actual/Actual (ICMA)**” is so specified, this means:
 - (a) where the Calculation Period is equal to or shorter than the Regular Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (b) where the Calculation Period is longer than one Regular Period, the sum of:
 - (A) the actual number of days in such Calculation Period falling in the Regular Period in which it begins divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and

(B) the actual number of days in such Calculation Period falling in the next Regular Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year;

- (ii) if “**30/360**” or “**360/360**” or “**Bond Basis**” is so specified, means the number of days in the Calculation Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (iii) if “**30E/360**” or “**Eurobond Basis**” is so specified, means

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30; and

- (iv) if “**30E/360 (ISDA)**” is so specified, means the number of days in the Calculation Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30;

In these Terms and Conditions:

"Regular Period" means:

- (i) in the case of Notes where interest is scheduled to be paid only by means of regular payments, each period from and including the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from and including one Interest Payment Date to but excluding the next Interest Payment Date;
- (ii) in the case of Notes where, apart from the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where "Regular Date" means the day and month (but not the year) on which any Interest Payment Date falls; and
- (iii) in the case of Notes where, apart from one Interest Period other than the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where "Regular Date" means the day and month (but not the year) on which any Interest Payment Date falls other than the Interest Payment Date falling at the end of the irregular Interest Period; and

"sub-unit" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

(b) *Interest on Floating Rate Notes, Equity Linked Interest Notes and Index Linked Interest Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note, Equity Linked Interest Note and Index Linked Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an **"Interest Payment Date"**) in each year specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be); or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be), each date (each an **"Interest Payment Date"**) which (save as otherwise mentioned in these Terms and Conditions or the applicable Final Terms or the Drawdown Prospectus (as the case may be)) falls the number of months or other period specified as the Specified Period in the applicable Final Terms or the Drawdown Prospectus (as the case may be) after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day (as defined below), then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions:

“Business Day” means (unless otherwise stated in the applicable Final Terms or the Drawdown Prospectus (as the case may be)) a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be); and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Melbourne or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) payment system which utilises a single shared platform and which was launched on 19 November 2007 (the **“TARGET2 System”**) is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes, Equity Linked Interest Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

(iii) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be)) the Margin (if any). For the purposes of this sub-paragraph (iii), **“ISDA Rate”** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or other person specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) under an interest rate swap transaction if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **“ISDA Definitions”**) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be);

- (B) the Designated Maturity is a period specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be); and
- (C) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (“**LIBOR**”) or on the Euro-zone inter-bank offered rate (“**EURIBOR**”) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

For purposes of this sub-paragraph (iii), (a) “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions, (b) the definition of “**Banking Day**” in the ISDA Definitions shall be amended to insert after the words “are open for” in the second line the word “**general**” and (c) “**Euro-zone**” means the region comprised of Member States of the European Union that adopt the single currency in accordance with the Treaty.

Where this sub-paragraph (iii) applies, in respect of each relevant Interest Period, the Agent will be deemed to have discharged its obligations under paragraph (vi) below in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (iii).

Unless otherwise stated in the applicable Final Terms or the Drawdown Prospectus (as the case may be), the Minimum Rate of Interest shall be deemed to be zero.

(iv) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (B) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be)) the Margin (if any), all as determined by the Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, only one of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (A) above no such quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

(v) *Minimum and/or Maximum Rate of Interest*

If the applicable Final Terms or the Drawdown Prospectus (as the case may be) specifies a Minimum Rate of Interest for any Interest Period then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the applicable Final Terms or the Drawdown Prospectus (as the case may be) specifies a Maximum Rate of Interest for any Interest Period then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(vi) *Determination of Rate of Interest and Calculation of Interest Amount*

The Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Equity Linked Interest Notes and Index Linked Interest Notes, will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Equity Linked Interest Notes and Index Linked Interest Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same. The Agent will calculate the amount of interest (the "**Interest Amount**") payable on each Floating Rate Note, Equity Linked Interest Note or Index Linked Interest Note in respect of each Calculation Amount for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest cent (or its approximate equivalent sub-unit of the relevant Specified Currency, half of any sub-unit being rounded upwards or otherwise in accordance with applicable market convention). The amount of interest in respect of each Calculation Amount will be aggregated for each Note of each Specified Denomination.

"**Day Count Fraction**" means, in respect of the calculation of an amount for any period of time (the "**Calculation Period**"), such day count fraction as may be specified in these Conditions or the applicable Final Terms or the Drawdown Prospectus (as the case may be) and:

- (i) if "**Actual/365**" or "**Actual/Actual (ISDA)**" is so specified, means the actual number of days in the Calculation Period in respect of which payment is being made divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (i) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (ii) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (ii) if "**Actual/365 (Fixed)**" is so specified, means the actual number of days in the Calculation Period in respect of which payment is being made divided by 365;
- (iii) if "**Actual/360**" is so specified, means the actual number of days in the Calculation Period in respect of which payment is being made divided by 360;
- (iv) if "**30/360**" or "**360/360**" or "**Bond Basis**" is so specified, means the number of days in the Calculation Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (v) if "**30E/360**" or "**Eurobond Basis**" is so specified, means

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30; and

- (vi) if "**30E/360 (ISDA)**" is so specified, means the number of days in the Calculation Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30;

(vii) *Notification of Rate of Interest and Interest Amount*

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified *inter alia* to the Issuer and to any stock exchange on which the relevant Floating Rate Notes, Equity Linked Interest Notes or Index Linked Interest Notes are for the time being listed, and notice thereof to be published in accordance with Condition 18 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes, Equity Linked Interest Notes or Index Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 18. For the purposes of this paragraph, the expression "**London Business Day**" means a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets are open for general business in London.

(viii) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(b) shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the

Calculation Agent (if applicable), the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Interest on Dual Currency Notes*

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

(d) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

(e) *Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the due date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue thereon (as well after as before any demand or judgment) at the rate then applicable to the principal amount of the Notes or such other rate as may be specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) until whichever is the earlier of (1) the date on which all amounts due in respect of such Note have been paid, and (2) date on which the Agent having received the funds required to make such payment, notice is given to the Noteholders in accordance with Condition 18 of that circumstance (except to the extent that there is failure in the subsequent payment thereof to the relevant Noteholder).

6. Redemption and Purchase

(a) *Redemption at Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note (unless it is an Index Linked Redemption Note or Equity Linked Redemption Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms or the Drawdown Prospectus (as the case may be) in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

(b) *Redemption for Tax Reasons*

If, as a result of any amendment to or change in the laws or regulations of the jurisdiction of incorporation of the Issuer or, if applicable, the Guarantor or, in the case of Alpha Bank issuing or guaranteeing Notes through a branch situated in a jurisdiction other than the Hellenic Republic, such other jurisdiction or in each case of any political subdivision thereof or any authority or agency therein or thereof having power to tax or any change in the application or official interpretation or administration of any such laws or regulations, which amendment or change becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes, the Issuer would be required to pay additional amounts as provided in Condition 13, or the Guarantor (if applicable) would be unable for reasons outside its control to procure payment by the Issuer and in making payment itself would be required to pay additional amounts as provided in Condition 13, the Issuer may (subject, in the case of Dated Subordinated Notes, to the prior consent of the Bank of Greece), at its option and having given no less than 30 nor more than 60 days' notice (ending, in the case of Notes which bear interest at a floating rate, on any Interest Payment Date) to the Agent and, in case of issue of Alpha Bank Notes, to the Alpha Bank Noteholders Agent, and, in accordance with Condition 18, the Noteholders (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Notes at their Early Redemption Amount as may be specified in, or determined in accordance with, the applicable Final Terms or the Drawdown Prospectus (as the case may be) together (if appropriate) with interest accrued to (but excluding) the date of redemption provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or, as the case may be, the Guarantor (if applicable) would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Upon the expiry of such notice, the Issuer shall be bound to redeem the Notes accordingly.

(c) *Redemption at the Option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be), the Issuer may, (subject, in the case of Dated Subordinated Notes, to the prior consent of the Bank of Greece), having (unless otherwise specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be)) given not more than 30 nor less than 15 days' notice to the Agent and, in case of issue of Alpha Bank Notes, to the Alpha Bank Noteholders Agent, and, in accordance with Condition 18, the Noteholders (which notice shall be irrevocable), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms or the Drawdown Prospectus (as the case may be) together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date. Upon the expiry of such notice, the Issuer shall be bound to redeem the Notes accordingly.

In the event of a redemption of some only of the Notes, such redemption must be of a nominal amount being not less than the Minimum Redemption Amount or not more than a Maximum Redemption Amount, both as indicated in the applicable Final Terms or the Drawdown Prospectus (as the case may be). In the case of a partial redemption of definitive Notes, the Notes to be redeemed will be selected individually by not more than 30 days prior to the date fixed for redemption and a list of the Notes called for redemption will be published in accordance with Condition 18 not less than 15 days prior to such date. In the case of a partial redemption of Notes which are represented by a global Note, the relevant Notes will be selected in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount at their discretion).

(d) *Redemption at the Option of the Noteholders (Investor Put)*

This Condition 6(d) is applicable only in relation to Notes specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) as being Senior Notes and references to "Notes" and "Noteholders" shall be construed accordingly.

If Investor Put is specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be), upon any Noteholder giving to the Issuer in accordance with Condition 18 not more than 30 nor less than 15 days' notice (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem subject to, and in accordance with, the terms specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms or the Drawdown Prospectus (as the case may be) together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date.

If this Note is in definitive form, to exercise any right to require redemption of this Note the holder of this Note must deliver such Note at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition.

Any Put Notice given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of repayment an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph.

(e) *Early Redemption Amounts*

For the purposes of paragraph (b) above and Condition 14, each Note will be redeemed at an amount (the "**Early Redemption Amount**") determined or calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount set out in, or determined in the manner set out in, the applicable Final Terms or the Drawdown Prospectus (as the case may be) or, if no such

- amount or manner is set out in that Final Terms or the Drawdown Prospectus (as the case may be), at their nominal amount; or
- (iii) in the case of a Zero Coupon Note, at an amount (the “**Amortised Face Amount**”) equal to the sum of:
- (A) the Reference Price specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be); and
- (B) the product of the Accrual Yield specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) (compounded annually) being applied to the Reference Price from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable,
- or such other amount as is provided in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

Where such calculation is to be made for a period which is not a whole number of years, it shall be made (i) in the case of a Zero Coupon Note other than a Zero Coupon Note payable in euro, on the basis of a 360-day year consisting of 12 months of 30 days each or (ii) in the case of a Zero Coupon Note payable in euro, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed falls in a leap year, the sum of (x) the number of those days falling in a leap year divided by 366 and (y) the number of those days falling in a non-leap year divided by 365) or (in either case) on such other calculation basis as may be specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be); or

- (iv) in the case of an Index Linked Interest Note, an Index Linked Redemption Note, an Equity Linked Interest Note or an Equity Linked Redemption Note, the Early Redemption Amount in respect of each nominal amount of such Notes equal to the Calculation Amount will be determined by reference to the provisions in the applicable Final Terms.

(f) *Instalments*

If the Notes are repayable in instalments, they will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be).

(g) *Partly Paid Notes*

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Final Terms or the Drawdown Prospectus (as the case may be).

(h) *Illegality*

In the event that the Calculation Agent determines in good faith that the performance of the Issuer's obligations under the Notes or that any arrangements made to hedge the Issuer's obligations under the Notes has or will become unlawful, illegal or otherwise prohibited in whole or in part as a result of compliance with any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative or judicial authority or power, or in the interpretation thereof, the Issuer having given not less than 10 nor more than 30 days' notice to Noteholders in accordance with Condition 18 (which notice shall be irrevocable), may, on expiry of such notice redeem all, but not some only, of the Notes, each Note being redeemed at the Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(i) *Purchases*

The Issuer, the Guarantor (if applicable) or any Subsidiary (as defined in the Agency Agreement) of the Issuer or the Guarantor (if applicable) may (subject, in the case of Dated Subordinated Notes, to the prior consent of the Bank of Greece), at any time purchase Notes (together, in the case of definitive Notes, with all Receipts, Coupons and Talons appertaining thereto) in any manner and at any price. Such Notes may be held, reissued, resold or, at the option of the Issuer or the Guarantor, as the case may be, surrendered to any Paying Agent for cancellation.

(j) *Cancellation*

All Notes which are redeemed in full will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes which are purchased and cancelled pursuant to paragraph (i) above (together with all unmatured Receipts, Coupons and Talons attached thereto or delivered therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(k) *Late Payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 14 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (e)(iii) above as though the references therein to the date fixed for redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (1) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and
- (2) the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 18.

7. Payments

(a) *Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne or Auckland, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 13.

(b) *Presentation of Notes, Receipts and Coupons*

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment only, endorsement) of definitive Notes and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid against presentation and surrender (or, in the case of part payment only, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (as referred to below).

Payments of instalments (if any) of principal in respect of definitive Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) at the specified office of any Paying Agent of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in (a) above only against surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Note. Each Receipt must be presented for payment of the relevant instalment together with the definitive Note to which it appertains. Receipts presented without the definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Note becomes due and repayable, unmatured Receipts (if any) appertaining thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Equity Linked Notes or Index Linked Notes) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons) failing which the amount of any missing unmatured Coupon (or, in the case of payment

not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against presentation and surrender (or, in the case of part payment only, endorsement) of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 13) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 17) or, if later, five years from the date on which such Coupon would otherwise have become due but in no event thereafter. Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Equity Linked Interest Note or Index Linked Interest Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant global Note against presentation or surrender (or, in the case of part payment only, endorsement), as the case may be, of such global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of such global Note, distinguishing between any payment of principal and any payment of interest, will be made on such global Note by the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made.

The holder of the relevant global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer, or to the order of, the holder of the relevant global Note. No person other than the holder of the relevant global Note shall have any claim against the Issuer in respect of any payments due in respect of the Notes represented by such global Note.

Payments of principal and/or interest in respect of the Notes will be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer or the Guarantor (if applicable).

(c) *Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, unless otherwise specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be), "**Payment Day**" means any day which (subject to Condition 17) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (a) the relevant place of presentation;
 - (b) London;
 - (c) any Additional Financial Centre specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be); and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre) and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Melbourne or Auckland, respectively or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

(d) *Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 13;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Equity Linked Redemption Notes, the Failure to Deliver Settlement Price (if any);
- (vi) in relation to Equity Linked Redemption Notes, the Disruption Cash Settlement Price (if any);
- (vii) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (viii) in relation to Index Linked Redemption Notes and Equity Linked Redemption Notes, the Redemption Amount;
- (ix) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(e)); and
- (x) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 13.

8. Index Linked Notes

If the Notes are specified as Index Linked Interest Notes and/or Index Linked Redemption Notes in the applicable Final Terms then the provisions of this Condition 8 apply, as applicable, as modified by the applicable Final Terms.

(a) *Redemption of Index Linked Redemption Notes*

Unless previously redeemed or purchased and cancelled, each nominal amount (the “**Specified Amount**”) of the Notes equal to the Calculation Amount set out in the applicable Final Terms will be redeemed by the Issuer at its Redemption Amount (as defined below) on the Maturity Date.

(b) *Adjustments to an Index*

(i) Successor Index Sponsor Calculates and Reports an Index

If a relevant Index is (A) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (a “**Successor Index Sponsor**”) acceptable to the Calculation Agent or (B) replaced by a successor index using, in the determination of the

Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then, in each case, that index (the “**Successor Index**”) will be deemed to be the Index.

(ii) Modification and Cessation of Calculation of an Index

If (A) on or prior to a Valuation Date the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an “**Index Modification**”) or permanently cancels the Index and no Successor Index exists (an “**Index Cancellation**”), or (B) on a Valuation Date the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an “**Index Disruption**” and, together with an Index Modification and an Index Cancellation, each an “**Index Adjustment Event**”), then the Issuer may take the action described in (A) or (B) below:

- (A) require the Calculation Agent to determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the Reference Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (B) give notice to the Noteholders in accordance with Condition 18 and redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount.

(iii) Correction of an Index

If Correction of Index Levels is specified as applying in the applicable Final Terms and the official closing level of an Index published on a Valuation Date is subsequently corrected and the correction (the “**Corrected Index Level**”) is published by the Index Sponsor or (if applicable) the Successor Index Sponsor prior to the Correction Cut-Off Date specified in the applicable Final Terms, then such Corrected Index Level shall be deemed to be the closing level for such Index for that Valuation Date and the Calculation Agent shall use such Corrected Index Level in determining the relevant Interest Amount and/or Redemption Amount.

(iv) Notice

Upon the occurrence of an Index Adjustment Event, the Issuer shall give notice as soon as practicable to Noteholders in accordance with Condition 18 giving details of the action proposed to be taken in relation thereto.

(c) *Definitions applicable to Index Linked Notes*

For the purposes of this Condition 8:

“**Disrupted Day**” means:

- (a) where the Index is not specified in the applicable Final Terms as being a Designated Multi-Exchange Index, any Scheduled Trading Day on which a relevant Exchange or any Related Exchange fails to open for trading during its regular trading session or on which a Market Disruption Event has occurred; or
- (b) where the Index is specified in the applicable Final Terms as being a Designated Multi-Exchange Index, any Scheduled Trading Day on which (i) the Index Sponsor fails to publish the level of the Index, (ii) any Related Exchange fails to open for trading during its regular trading session or (iii) a Market Disruption Event has occurred.

“**Exchange**” means:

- (a) where the Index is not specified in the applicable Final Terms as being a Designated Multi-Exchange Index, each exchange or quotation system specified as such for such Index in the applicable Final Terms, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in the securities/commodities comprising

such Index has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to the securities/commodities, comprising such Index on such temporary substitute exchange or quotation system as on the original Exchange); or

- (b) where the Index is specified in the applicable Final Terms as being a Designated Multi-Exchange Index, in relation to each component security of that Index (each a “**Component Security**”), the principal stock exchange on which such Component Security is principally traded, as determined by the Calculation Agent.

“**Exchange Business Day**” means:

- (a) where the Index is not specified in the applicable Final Terms as being a Designated Multi-Exchange Index, any Scheduled Trading Day on which each Exchange and each Related Exchange are open for trading during their respective regular trading sessions, notwithstanding any such Exchange or Related Exchange closing prior to its Scheduled Closing Time; or
- (b) where the Index is specified in the applicable Final Terms as being a Designated Multi-Exchange Index, any Scheduled Trading Day on which (i) the Index Sponsor publishes the level of the Index and (ii) each Related Exchange is open for trading during its regular trading session, notwithstanding any such Related Exchange closing prior to its Scheduled Closing Time.

“**Indices**” and “**Index**” mean, subject to adjustment in accordance with Condition 8, the indices or index specified in the applicable Final Terms and related expressions shall be construed accordingly.

“**Index Sponsor**” means, in relation to an Index, the corporation or other entity that (i) is responsible for setting and reviewing the rules and procedures and the methods of calculation and adjustments, if any, related to such Index and (ii) announces (directly or through an agent) the level of such Index on a regular basis during each Scheduled Trading Day, which as of the Issue Date is the index sponsor specified for such Index in the applicable Final Terms.

“**Market Disruption Event**” means:

- (a) in respect of an Index other than a Designated Multi-Exchange Index:
 - (i) the occurrence or existence at any time during the one hour period that ends at the relevant Valuation Time of:
 - (A) any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise:
 - (x) on any relevant Exchange(s) relating to securities/commodities that comprise 20 per cent. or more of the level of the relevant Index; or
 - (y) in futures or options contracts relating to the relevant Index on any relevant Related Exchange; or
 - (B) any event (other than an event described in (ii) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (x) to effect transactions in, or obtain market values for, on any relevant Exchange(s) securities/commodities that comprise 20 per cent. or more of the level of the relevant Index, or (y) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Index on any relevant Related Exchange,

which in either case the Calculation Agent determines is material; or

- (ii) the closure on any Exchange Business Day of any relevant Exchange(s) relating to securities/commodities that comprise 20 per cent. or more of the level of the relevant Index or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to the earlier of (A) the actual closing time for the

regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day; or

- (b) in respect of a Designated Multi-Exchange Index either:
- (i) the occurrence or existence, in respect of any Component Security, of:
 - (A) a Trading Disruption in respect of such Component Security, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange in respect of such Component Security;
 - (B) an Exchange Disruption in respect of such Component Security, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange in respect of such Component Security; or
 - (C) an Early Closure in respect of such Component Security, which the Calculation Agent determines is material; andthe aggregate of all Component Securities in respect, of which a Trading Disruption, an Exchange Disruption or an Early Closure occurs or exists, comprises 20 per cent. or more of the level of the Index; or
 - (ii) the occurrence or existence, in respect of futures or options contracts relating to the Index, of: (A) a Trading Disruption at any time during the one hour period that ends at the Valuation Time in respect of any Related Exchange, (B) an Exchange Disruption at any time during the one hour period that ends at the Valuation Time in respect of any Related Exchange or (C) an Early Closure, in each case in respect of such futures or options contracts and which the Calculation Agent determines is material.

As used above:

“Early Closure” means the closure on any Exchange Business Day of the Exchange in respect of any Component Security or any Related Exchange prior to its Scheduled Closing Time unless such earlier closing is announced by such Exchange or Related Exchange, as the case may be, at least one hour prior to the earlier of: (A) the actual closing time for the regular trading session on such Exchange or Related Exchange, as the case may be, on such Exchange Business Day; and (B) the submission deadline for orders to be entered into the relevant Exchange or Related Exchange system for execution at the relevant Valuation Time on such Exchange Business Day.

“Exchange Disruption” means any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general to effect transactions in, or obtain market values for: (A) any Component Security on the Exchange in respect of such Component Security; or (B) futures or options contracts relating to the Index on any Related Exchange.

“Trading Disruption” means any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange, as the case may be, or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise: (A) relating to any Component Security on the Exchange in respect of such Component Security; or (B) in futures or options contracts relating to the Index on any Related Exchange.

For the purposes of determining whether a Market Disruption Event in respect of an Index or a Component Security exists at any time, if a Market Disruption Event occurs in respect of a security/commodity included in the Index or such Component Security at that time, then the relevant percentage contribution of that security/commodity or Component Security, as the case may be, to the level of the Index shall be based on a comparison of (A) the portion of the level of the Index attributable to that security/commodity or Component Security, as the case may be, and (B) the overall level of the Index, in each case either (1) except where the Index is a Designated Multi-Exchange Index, immediately before the occurrence of such Market Disruption Event or (2)

where the Index is a Designated Multi-Exchange Index, using the official opening weightings as published by the Index Sponsor as part of the market "opening data."

"Redemption Amount" means, in relation to an Index Linked Redemption Note, the Redemption Amount specified in the applicable Final Terms.

"Reference Price" means, in relation to a Valuation Date:

- (a) where the Notes are specified in the applicable Final Terms to relate to a single Index, an amount (which shall be deemed to be an amount of the Specified Currency) equal to the official closing level of the Index as determined by the Calculation Agent (or if a Valuation Time other than the Scheduled Closing Time is specified in the applicable Final Terms, the level of the Index determined by the Calculation Agent at such Valuation Time) on that Valuation Date (as defined below), without regard to any subsequently published correction; and
- (b) where the Notes are specified in the applicable Final Terms to relate to a Basket of Indices, an amount (which shall be deemed to be an amount of the Specified Currency) equal to the sum of the values calculated for each Index as the official closing level of each Index as determined by the Calculation Agent (or if a Valuation Time other than the Scheduled Closing Time is specified in the applicable Final Terms, the level of the Index determined by the Calculation Agent at such Valuation Time) on that Valuation Date, without regard to any subsequently published correction, multiplied by the relevant Multiplier specified in the applicable Final Terms.

"Related Exchange" means, in relation to an Index, each exchange or quotation system specified as such for such Index in the applicable Final Terms, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in futures or options contracts relating to such Index has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to the futures or options contracts relating to such Index on such temporary substitute exchange or quotation system as on the original Related Exchange), provided that where "All Exchanges" is specified as the Related Exchange in the applicable Final Terms, "Related Exchange" shall mean each exchange or quotation system where trading has a material effect (as determined by the Calculation Agent) on the overall market for futures or options contracts relating to such Index.

"Scheduled Closing Time" means, in respect of an Exchange or Related Exchange and a Scheduled Trading Day, the scheduled weekday closing time of such Exchange or Related Exchange on such Scheduled Trading Day, without regard to after hours or any other trading outside of the regular trading session hours.

"Scheduled Trading Day" means:

- (a) where the Index is not specified in the applicable Final Terms as being a Designated Multi-Exchange Index, any day on which each Exchange and each Related Exchange are scheduled to be open for trading for their respective regular trading sessions; or
- (b) where the Index is specified in the applicable Final Terms as being a Designated Multi-Exchange Index, (A) any day on which the Index Sponsor is scheduled to publish the level of that Index and (B) each Related Exchange is scheduled to be open for trading for its regular trading session.

"Scheduled Valuation Date" means, in relation to a Valuation Date, any original date that, but for the occurrence of an event causing a Disrupted Day, would have been that Valuation Date.

"Strike Price" means the amount specified as such in the applicable Final Terms.

"Valuation Date" means the date or, in the case of Index Linked Interest Notes, each date specified as such in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the next following Scheduled Trading Day unless, in the opinion of the Calculation Agent, such day is a Disrupted Day. If such day is a Disrupted Day then:

- (a) where the Notes are specified in the applicable Final Terms to relate to a single Index, that Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day. In that case (A) that eighth Scheduled Trading Day shall be deemed to be that Valuation Date notwithstanding the fact that such day is a Disrupted Day

and (B) the Calculation Agent shall, where practicable, determine the Reference Price in the manner set out in the applicable Final Terms or, if not set out or not so practicable, determine the Reference Price by determining the level of the Index as of the Valuation Time on that eighth Scheduled Trading Day in accordance with the formula for and method of calculating the Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on that eighth Scheduled Trading Day of each security/commodity comprised in the Index (or if an event giving rise to a Disrupted Day has occurred in respect of the relevant security/commodity on that eighth Scheduled Trading Day, its good faith estimate of the value for the relevant security/commodity as of the Valuation Time on that eighth Scheduled Trading Day); or

- (b) where the Notes are specified in the applicable Final Terms to relate to a Basket of Indices, that Valuation Date for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date and that Valuation Date for each Index affected by the occurrence of a Disrupted Day (each an “**Affected Index**”) shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Index, unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day relating to that Index. In that case, (A) that eighth Scheduled Trading Day shall be deemed to be the Valuation Date for the Affected Index, notwithstanding the fact that such day is a Disrupted Day, and (B) the Calculation Agent shall, where applicable, determine the Reference Price using, in relation to the Affected Index, the level of that Index determined in the manner set out in the applicable Final Terms or, if not set out or if not so practicable, using the level of that Index as of the Valuation Time on that eighth Scheduled Trading Day in accordance with the formula for and method of calculating that Index last in effect prior to the occurrence of the Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on that eighth Scheduled Trading Day of each security/commodity comprised in that Index (or, if an event giving rise to a Disrupted Day has occurred in respect of the relevant security/commodity on that eighth Scheduled Trading Day, its good faith estimate of the value for the relevant security/commodity as of the Valuation Time on that eighth Scheduled Trading Day).

“**Valuation Time**” means:

- (a) where the Index is not specified in the applicable Final Terms as being a Designated Multi-Exchange Index, the Valuation Time specified in the applicable Final Terms or, if no Valuation Time is specified, the Scheduled Closing Time on the relevant Exchange on the relevant Valuation Date in relation to each Index to be valued. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time; or
- (b) where the Index is specified in the applicable Final Terms as being a Designated Multi-Exchange Index, the Valuation Time specified in the applicable Final Terms or, if no Valuation Time is specified, (A) for the purposes of determining whether a Market Disruption Event has occurred: (1) in respect of a Component Security, the Scheduled Closing Time on the relevant Exchange and (2) in respect of any options contracts or futures contracts on the Index, the close of trading on the relevant Related Exchange, and (B) in all other circumstances, the time at which the official closing level of the Index is calculated and published by the Index Sponsor. If, for the purposes of (A) above, the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time.

9. Equity Linked Notes

If the Notes are specified as Equity Linked Interest Notes and/or Equity Linked Redemption Notes in the applicable Final Terms then the provisions of this Condition 9 apply, as applicable, as modified by the applicable Final Terms.

(a) *Redemption of Equity Linked Redemption Notes*

Unless previously redeemed or purchased and cancelled as specified below, each nominal amount (the “**Specified Amount**”) of Equity Linked Redemption Notes equal to the Calculation Amount set out in the applicable Final Terms will be redeemed by the Issuer (A) if Cash Settlement is specified in the applicable Final Terms, by payment of the Redemption Amount on the Maturity

Date or (B) if Physical Delivery is specified in the applicable Final Terms, by delivery of the Asset Amount on the Maturity Date or (C) if Cash Settlement and/or Physical Delivery is specified in the applicable Final Terms, by payment of the Redemption Amount and/or by delivery of the Asset Amount on the terms set out in the applicable Final Terms, in each case on the Maturity Date, in each case subject as provided below.

(b) *Potential Adjustment Events, De-listing, Merger Event, Tender Offer, Nationalisation and Insolvency, Correction of Share Prices and Adjustments for Equity Linked Notes in respect of Underlying Equities quoted in European Currencies*

- (i) If Potential Adjustment Events are specified as applying in the applicable Final Terms, then following the declaration by an Equity Issuer of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the Underlying Equities and, if so, will (A) make the corresponding adjustment, if any, to any one or more of the relevant Interest Amount and/or the Redemption Amount and/or the Asset Amount and/or the Strike Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting, concentrative or other effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Underlying Equity) and (B) determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Underlying Equities traded on that options exchange.

Upon making any such adjustment, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 18, stating the adjustment to the relevant Interest Amount and/or Redemption Amount and/or the Asset Amount, the Strike Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms and giving brief details of the Potential Adjustment Event.

For the purposes of this Condition 9:

“Potential Adjustment Event” means any of the following:

- (a) a subdivision, consolidation or reclassification of relevant Underlying Equities (unless resulting in a Merger Event), or a free distribution or dividend of any such Underlying Equities to existing holders by way of bonus, capitalisation or similar issue;
- (b) a distribution, issue or dividend to existing holders of the relevant Underlying Equities of (A) such Underlying Equities or (B) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of an Equity Issuer equally or proportionately with such payments to holders of such Underlying Equities or (C) share capital or other securities of another issuer acquired or owned (directly or indirectly) by the Equity Issuer as a result of a spin-off or other similar transaction or (D) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or other consideration) at less than the prevailing market price as determined by the Calculation Agent;
- (c) an extraordinary dividend as determined by the Calculation Agent;
- (d) a call by an Equity Issuer in respect of relevant Underlying Equities that are not fully paid;
- (e) a repurchase by an Equity Issuer or any of its subsidiaries of relevant Underlying Equities whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise;
- (f) in respect of an Equity Issuer, an event that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of such Equity Issuer, pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value as determined by the Calculation Agent, provided that any

adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or

- (g) any other event that has or may have, in the opinion of the Calculation Agent, a diluting, concentrative or other effect on the theoretical value of the relevant Underlying Equities.
- (ii) If (x) De-listing, Merger Event, Nationalisation and Insolvency is specified as applying in the applicable Final Terms and/or (y) if Tender Offer is specified as applying in the applicable Final Terms and (in the case of (x)), a De-listing, Merger Event, Nationalisation or Insolvency occurs or (in the case of (y)) a Tender Offer occurs, in each case, in relation to an Underlying Equity, the Issuer in its sole and absolute discretion may:
 - (A) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the relevant Interest Amount and/or the Redemption Amount and/or the Asset Amount and/or the Strike Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may in the case of adjustments following a Merger Event or Tender Offer include, without limitation, adjustment to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares; or
 - (B) give notice to the Noteholders in accordance with Condition 18 and redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount.

If the provisions of Condition 9 apply the Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, made by an options exchange to options on the Underlying Equities traded on that options exchange.

Upon the occurrence (if applicable) of a De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 18 stating the occurrence of the De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

For the purposes of these Terms and Conditions:

“De-listing” means, in respect of any relevant Underlying Equities, the Exchange announces that pursuant to the rules of such Exchange, such Underlying Equities cease (or will cease) to be listed, traded or publicly quoted on the Exchange for any reason (other than a Merger Event or Tender Offer) and are not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in any member state of the European Union);

“Insolvency” means that by reason of the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of, or any analogous proceeding affecting, an Equity Issuer (A) all the Underlying Equities of that Equity Issuer are required to be transferred to a trustee, liquidator or other similar official or (B) holders of the Underlying Equities of that Equity Issuer become legally prohibited from transferring them;

“Merger Date” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent;

“Merger Event” means, in respect of any relevant Underlying Equities, any (A) reclassification or change of such Underlying Equities that results in a transfer of, or an irrevocable commitment to transfer, all such Underlying Equities outstanding to another entity or person, (B) consolidation, amalgamation, merger or binding share exchange of an Equity Issuer with or into another entity or person (other than a consolidation, amalgamation, merger or binding share exchange in which such Equity Issuer is the continuing entity and which does not result in any such reclassification or change of all such Underlying Equities

outstanding), (C) takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Underlying Equities of the Equity Issuer that results in a transfer of or an irrevocable commitment to transfer all such Underlying Equities (other than such Underlying Equities owned or controlled by such other entity or person), or (D) consolidation, amalgamation, merger or binding share exchange of the Equity Issuer or its subsidiaries with or into another entity in which the Equity Issuer is the continuing entity and which does not result in a reclassification or change of all such Underlying Equities outstanding but results in the outstanding Underlying Equities (other than Underlying Equities owned or controlled by such other entity) immediately prior to such event collectively representing less than 50 per cent. of the outstanding Underlying Equities immediately following such event, in each case if the Merger Date is on or before the relevant Valuation Date or, if the Notes are to be redeemed by delivery of Underlying Equities, the Maturity Date;

“Nationalisation” means that all the Underlying Equities or all or substantially all the assets of an Equity Issuer are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof; and

“Tender Offer” means a takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person that results in such entity or person purchasing, or otherwise obtaining or having the right to obtain, by conversion or other means, greater than 10 per cent. and less than 100 per cent. of the outstanding voting shares of the Equity Issuer, as determined by the Calculation Agent, based upon the making of filings with governmental or self regulatory agencies or such other information as the Calculation Agent deems relevant.

- (iii) If Correction of Share Prices is specified as applying in the applicable Final Terms and the price of a Share published on a Valuation Date is subsequently corrected and the correction (the **“Corrected Share Price”**) is published on the relevant Exchange prior to the Correction Cut-Off Date specified in the applicable Final Terms, then such Corrected Share Price shall be deemed to be the closing price for such Share for that Valuation Date and the Calculation Agent shall use such Corrected Share Price in determining the relevant Interest Amount and/or Redemption Amount.
- (iv) In respect of Equity Linked Notes relating to Underlying Equities originally quoted, listed and/or dealt as of the Trade Date in a currency of a member state of the European Union that has not adopted the single currency in accordance with the Treaty establishing the European Community, as amended, if such Underlying Equities are at any time after the Trade Date quoted, listed and/or dealt exclusively in euro on the relevant Exchange, then the Calculation Agent will adjust any one or more of the relevant Interest Amount and/or the Redemption Amount and/or the Asset Amount and/or the Strike Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent determines in its sole and absolute discretion to be appropriate to preserve the economic terms of the Notes. The Calculation Agent will make any conversion necessary for the purposes of any such adjustment as of the Valuation Time at an appropriate mid-market spot rate of exchange determined by the Calculation Agent prevailing as of the Valuation Time. No adjustments under this Condition 9(b)(iv) will affect the currency denomination of any payments in respect of the Notes.

(c) *Physical Delivery*

If any Notes are to be redeemed by delivery of the Asset Amount, in order to obtain delivery of the Asset Amount(s) in respect of any Note:

- (i) if such Note is represented by a Global Note, the relevant Noteholder must deliver to Euroclear or Clearstream, Luxembourg (as applicable), with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice substantially in the form set out in the Agency Agreement (the **“Asset Transfer Notice”**); and
- (ii) if such Note is in definitive form, the relevant Noteholder must deliver to any Paying Agent, with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice.

The Issuer will arrange for forms of the Asset Transfer Notice to be obtainable during normal business hours from the specified office of any Paying Agent.

An Asset Transfer Notice may only be delivered (A) if such Note is represented by a Global Note, in such manner as is acceptable to Euroclear or Clearstream, Luxembourg, as the case may be, which is expected to be by authenticated SWIFT message or tested telex or (B) if such Note is in definitive form, in writing.

If this Note is in definitive form, this Note must be delivered together with the duly completed Asset Transfer Notice.

The delivery of the Asset Amount shall be made in the manner specified in the applicable Final Terms or in such other commercially reasonable manner as the Issuer shall, in its sole discretion, determine to be appropriate for such delivery and shall notify to the Noteholders in accordance with Condition 18.

All expenses including any applicable depositary charges, transaction or exercise charges, stamp duty, stamp duty reserve tax and/or other similar taxes or duties (together "**Delivery Expenses**") arising from the delivery and/or transfer of any Asset Amount shall be for the account of the relevant Noteholder and no delivery and/or transfer of any Asset Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder.

Alpha PLC will not issue Equity Linked Redemption Notes, providing for redemption by physical delivery of Alpha Bank shares or other Reference Item(s), triggering the application of the Greek Financial Assistance Rules.

An Asset Transfer Notice must:

- (i) specify the name and address of the relevant Noteholder, any account details required for delivery as set out in the applicable Final Terms and the person from whom the Issuer may obtain details for the delivery of the Asset Amount if such delivery is to be made otherwise than in the manner specified in the applicable Final Terms;
- (ii) in the case of Notes represented by a Global Note, specify the nominal amount of Notes which are the subject of such notice and the number of the Noteholder's account at Euroclear or Clearstream, Luxembourg, as the case may be, to be debited with such Notes and irrevocably instruct and authorise Euroclear or Clearstream, Luxembourg, as the case may be, to debit the relevant Noteholder's account with such Notes on or before the Maturity Date;
- (iii) include an undertaking to pay all Delivery Expenses and, in the case of Notes represented by a Global Note, an authority to debit a specified account of the Noteholder at Euroclear or Clearstream, Luxembourg, as the case may be, in respect thereof and to pay such Delivery Expenses;
- (iv) specify an account to which any dividends payable pursuant to this Condition 9(c) or any other cash amounts specified in the applicable Final Terms as being payable are to be paid; and
- (v) authorise the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by Euroclear, Clearstream, Luxembourg, or a Paying Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the relevant Noteholder may not transfer the Notes which are the subject of such notice.

In the case of Notes represented by a Global Note, upon receipt of such notice, Euroclear or Clearstream, Luxembourg, as the case may be, shall verify that the person specified therein as the Noteholder is the holder of the specified nominal amount of Notes according to its books.

Failure to properly complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Terms and Conditions shall be made, in the case of Notes represented by a Global Note, by Euroclear or Clearstream, Luxembourg, as the case may be, after consultation with the Issuer and shall be conclusive

and binding on the Issuer and the relevant Noteholder and, in the case of Notes in definitive form, by the relevant Paying Agent after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the relevant Noteholder.

Subject as provided in this Condition, in relation to each Note which is to be redeemed by delivery of the Asset Amount, the Asset Amount will be delivered at the risk of the relevant Noteholder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with this Condition, the "**Delivery Date**"), provided that the Asset Transfer Notice is duly delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent, as the case may be, with a copy to the Issuer, as provided above, not later than the close of business in each place of receipt on the Cut-Off Date.

If an Asset Transfer Notice is delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent, as the case may be, with a copy to the Issuer, later than the close of business in each place of receipt on the Cut-Off Date, then the Asset Amount will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Delivery Date) at the risk of such Noteholder in the manner provided above. For the avoidance of doubt, in such circumstances such Noteholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the originally designated Delivery Date and no liability in respect thereof shall attach to the Issuer.

If, prior to the delivery of the Asset Amount in accordance with this Condition, a Settlement Disruption Event is subsisting, then the Delivery Date in respect of such Note shall be postponed until the date on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Noteholder, in accordance with Condition 18. Such Noteholder shall not be entitled to any payment, whether of interest or otherwise, on such Note as a result of any delay in the delivery of the Asset Amount pursuant to this paragraph. Where delivery of the Asset Amount has been postponed as provided in this paragraph the Issuer shall not be in breach of these Conditions and no liability in respect thereof shall attach to the Issuer or the Guarantor.

For so long as delivery of the Asset Amount in respect of any Note is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election (the "**Election Notice**") is given to the Noteholders in accordance with Condition 18. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Noteholders in accordance with Condition 18.

For such period of time after the Maturity Date as any person other than the relevant Noteholder shall continue to be the legal owner of the securities comprising the Asset Amount (the "**Intervening Period**"), neither the Issuer nor any other such person shall (A) be under any obligation to deliver or procure delivery to the relevant Noteholder or any subsequent beneficial owner of such Note any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in its capacity as the holder of such Note, (B) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Note during the Intervening Period or (C) be under any liability to the relevant Noteholder, or any subsequent beneficial owner of such Note in respect of any loss or damage which the relevant Noteholder, or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such Notes during such Intervening Period.

Any interest, dividend or other distribution in respect of any Asset Amount will be payable to the party that would receive such interest, dividend or other distribution according to market practice for a sale of the Underlying Equity executed on the Maturity Date and to be delivered in the same manner as the Asset Amount. Any such interest dividend or other distribution to be paid to a Noteholder shall be paid to the account specified in the relevant Asset Transfer Notice.

Where the Asset Amount is, in the determination of the Issuer, an amount other than an amount of Relevant Assets capable of being delivered, the Noteholders will receive an Asset

Amount comprising of the nearest number (rounded down) of Relevant Assets capable of being delivered by the Issuer (taking into account that a Noteholder's entire holding may be aggregated at the Issuer's sole and absolute discretion for the purpose of delivering the Asset Amounts), and an amount in the Specified Currency which shall be the value of the amount of the Relevant Assets so rounded down, as calculated by the Calculation Agent in its sole and absolute discretion from such source(s) as it may select (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate). Payment will be made in such manner as shall be notified to the Noteholders in accordance with Condition 18.

For the purposes of this Condition 9(c):

"Disruption Cash Settlement Price" means an amount equal to the fair market value of the relevant Note (but not taking into account any interest accrued on such Note as such interest shall be paid pursuant to Conditions 5 and 6) on such day as shall be selected by the Issuer in its sole and absolute discretion provided that such day is not more than 15 days before the date that the Election Notice is given as provided above adjusted to take account fully for any losses, expenses and costs to the Hedging Party of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any options or selling or otherwise realising any Relevant Asset or other instruments of any type whatsoever which the Hedging Party may hold as part of such hedging arrangements), all as calculated by the Calculation Agent in its sole and absolute discretion; and

"Settlement Disruption Event" means an event beyond the control of the Issuer, as a result of which, in the opinion of the Calculation Agent, delivery of the Asset Amount by or on behalf of the relevant Issuer and/or the Guarantor, if applicable, in accordance with these Terms and Conditions and/or the applicable Final Terms is not practicable.

(d) *Failure to Deliver due to Illiquidity*

If Failure to Deliver due to Illiquidity is specified as applying in the applicable Final Terms and, in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets comprising the Asset Amount (the **"Affected Relevant Assets"**), where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a **"Failure to Deliver"**), then:

- (i) subject as provided elsewhere in these Terms and Conditions and/or the applicable Final Terms, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Delivery Date in accordance with Condition 9(c); and
- (ii) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion, in lieu of delivery of the Affected Relevant Assets, to pay to the relevant Noteholder the Failure to Deliver Settlement Price (as defined below) on the fifth Business Day following the date the Failure to Deliver Notice (as defined below) is given to the Noteholders in accordance with Condition 18. Payment of the Failure to Deliver Settlement Price will be made in such manner as shall be notified to the Noteholders in accordance with Condition 18. The Issuer shall give notice (such notice a **"Failure to Deliver Notice"**) as soon as reasonably practicable to the Noteholders in accordance with Condition 18 that the provisions of this Condition 9(d) apply.

In these Terms and Conditions:

"Failure to Deliver Settlement Price" means, in respect of each nominal amount of the Notes equal to the Calculation Amount, the fair market value of the Affected Relevant Assets on the fifth Business Day prior to the date on which the Failure to Deliver Notice is given as provided above, less the proportionate cost to the Hedging Party of unwinding or adjusting any underlying or related hedging arrangements in respect of the Notes, all as calculated by the Calculation Agent in its sole and absolute discretion.

Underlying Equity based, at the Calculation Agent's discretion, either on the arithmetic mean of the foregoing prices or the middle market quotations provided to it by two or more financial institutions (as selected by the Calculation Agent) engaged in the trading of the Underlying Equity or on such other factors as the Calculation Agent shall decide). The amount determined pursuant to the foregoing shall be converted, if Exchange Rate is specified as applying in the applicable Final Terms, into the Specified Currency at the Exchange Rate and such converted amount shall be the Reference Price; and

Each value determined pursuant to the foregoing shall be converted, if Exchange Rate is specified as applying in the applicable Final Terms, into the Specified Currency at the Exchange Rate and the sum of such converted amounts shall be the Reference Price.

"Related Exchange" means, in relation to an Underlying Equity, each exchange or quotation system specified as such in relation to such Underlying Equity in the applicable Final Terms, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in futures or options contracts relating to such Underlying Equity has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to the futures or options contracts relating to such Underlying Equity on such temporary substitute exchange or quotation system as on the original Related Exchange), Provided That where "All Exchanges" is specified as the Related Exchange in the applicable Final Terms, "Related Exchange" shall mean each exchange or quotation system where trading has a material effect (as determined by the Calculation Agent) on the overall market for futures or options contracts relating to such Underlying Equity.

- (a) where the Notes are specified in the applicable Final Terms to relate to a single Underlying Equity, that Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day. In that case (A) the eighth Scheduled Trading Day shall be deemed to be that Valuation Date, notwithstanding the fact that such day is a Disrupted Day, and (B) the Calculation Agent shall, where practicable, determine the Reference Price in the manner set out in the applicable Final Terms or, if not set out or not so practicable, determine the Reference Price in accordance with its good faith estimate of the Reference Price as of the Valuation Time on that eighth Scheduled Trading Day; or

- (ii) give notice to the Noteholders in accordance with Condition 18 and redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount.

Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 18 stating the occurrence of the Additional Disruption Event, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

- (ii) there will at all times be a Paying Agent with a specified office in a city in continental Europe;
- (iii) there will at all times be an Agent; and

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the final paragraph of Condition 7(b). - (iii) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to the EU Savings Directive or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a member state of the European Union; or
- (v) presented for payment by or on behalf of a Noteholder who would not be liable or subject to such withholding or deduction if it were to comply with a statutory requirement or to make a declaration of non-residence or other similar claim for exemption and fails to do so.

For the purposes of these Terms and Conditions, the “**Relevant Date**” means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Agent on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 18.

Taxing jurisdiction: If the Issuer becomes subject at any time to any taxing jurisdiction other than, in the case of Alpha PLC, the United Kingdom or, in the case of Alpha Bank, the Hellenic Republic, references in these Conditions to the United Kingdom or the Hellenic Republic, as the case may be, shall be construed as references to the United Kingdom or the Hellenic Republic, as the case may be, and/or in each case, such other jurisdiction.

14. Events of Default

(1) Senior Notes

This Condition 14(1) is applicable only in relation to Notes specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) as being Senior Notes and references to “**Notes**” and “**Noteholders**” shall be construed accordingly.

- (a) Unless otherwise specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be), the following events or circumstances (each an “**Event of Default**”) shall be acceleration events in relation to the Notes, namely:
 - (i) default by the Issuer in the payment when due of the principal of or interest on any of the Notes or the delivery when due of the Asset Amount in respect of any Note or the delivery when due of any other amount in respect of any Note and the continuance of any such default for a period of 14 days after the due date; or
 - (ii) the Issuer or, if applicable, the Guarantor defaults in the performance or observance of any of its other obligations under or in respect of the Notes, Receipts or Coupons and such default remains unremedied for 30 days after written notice thereof has been delivered by a Noteholder to the Issuer or the Guarantor, as the case may be, requiring the same to be remedied; or
 - (iii) the repayment of any indebtedness owing by the Issuer or, if applicable, the Guarantor or any Material Subsidiary is accelerated by reason of default and such acceleration has not been rescinded or annulled, or the Issuer or, if applicable, the Guarantor or any Material Subsidiary defaults (after whichever is the longer of any originally applicable period of grace and 14 days after the due date) in any payment of any indebtedness or in the honouring of any guarantee or indemnity in respect of any indebtedness provided that no such event shall constitute an Event of Default unless the indebtedness whether alone or when aggregated with other

indebtedness relating to all (if any) other such events which shall have occurred and be continuing shall exceed EUR 15,000,000 (or its equivalent in any other currency or currencies); or

- (iv) any order shall be made by any competent court or resolution passed for the winding up or dissolution of the Issuer or, if applicable, the Guarantor or any Material Subsidiary (other than for the purpose of amalgamation, merger or reconstruction (1) on terms approved by an Extraordinary Resolution of the Noteholders or (2) in the case of a Material Subsidiary whereby the undertaking and the assets of the Material Subsidiary are transferred to or otherwise vested in Alpha Bank or another of its Subsidiaries); or

- (vi) the Issuer or, if applicable, the Guarantor or any Material Subsidiary shall stop payment or shall be unable to, or shall admit inability to, pay its debts as they fall due, or shall be adjudicated or found bankrupt or insolvent by a court of competent jurisdiction or shall make a conveyance or assignment for the benefit of, or shall enter into any composition or other arrangement with, its creditors generally; or
- (vii) a receiver, trustee or other similar official shall be appointed in relation to the Issuer or, if applicable, the Guarantor or any Material Subsidiary or in relation to the whole or over half of the assets of the Issuer or, if applicable, the Guarantor or any Material Subsidiary or an interim supervisor of Alpha Bank is appointed by the Bank of Greece or an encumbrancer shall take possession of the whole or over half of the assets of the Issuer or, if applicable, the Guarantor or any Material Subsidiary, or a distress or execution or other process shall be levied or enforced upon or sued out against the whole or a substantial part of the assets of the Issuer or, if applicable, the Guarantor and in any of the foregoing cases it or he shall not be discharged within 60 days; or
- (viii) the Issuer or, if applicable, the Guarantor or any Material Subsidiary sells, transfers, lends or otherwise disposes of the whole or a major part of its undertaking or assets (including shareholdings in its Subsidiaries or associated companies) and such disposal is substantial in relation to the assets of the Issuer or Alpha Bank and its Subsidiaries as a whole, other than selling, transferring, lending or otherwise disposing on an arm's length basis, or of any present or future undertakings or assets (including uncalled capital), receivables, remittances or the payment rights of the Issuer, Alpha Bank or any Material Subsidiary pursuant to any securitisation, covered bond issuance or like arrangement in accordance with normal market practice;
- (ix) with respect to any Notes issued by Alpha PLC, the Guarantee is not in full force and effect.

For the purposes of this Condition 14(1)(a) "**Material Subsidiary**" means at any time any Subsidiary of Alpha Bank:

- (ii) whose gross assets or (in the case of a Subsidiary which has subsidiaries) gross consolidated assets as shown by its latest audited balance sheet are at least 15 per cent. of the gross consolidated assets of Alpha Bank and its Subsidiaries as shown by the then latest published audited consolidated balance sheet of Alpha Bank and its Subsidiaries; or
- (iii) to which is transferred the whole or substantially the whole of the assets and undertaking of a Subsidiary which immediately prior to such transfer is a Material Subsidiary provided that,

in such a case, the Subsidiary so transferring its assets and undertaking shall thereupon cease to be a Material Subsidiary.

- (b) If any Event of Default shall occur and be continuing in relation to any Note, any Noteholder may, by written notice to the Issuer at the specified office of the Agent, declare that such Note shall be forthwith due and payable, whereupon the same shall become immediately due and payable at its Early Redemption Amount as may be specified in or determined in accordance with the applicable Final Terms or the Drawdown Prospectus (as the case may be), together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(2) *Dated Subordinated Notes*

This Condition 14(2) is applicable only in relation to Notes specified in the applicable Final Terms or the Drawdown Prospectus (as the case may be) as being Dated Subordinated Notes and any references to "Notes" or "Noteholders" shall be construed accordingly. The events specified below are both "**Subordinated Default Events**":

- (a) If default is made in the payment of any amount due in respect of the Notes on the due date and such default continues for a period of 7 days, any Noteholder may institute proceedings for the winding up of the Issuer.
- (b) If, otherwise than for the purposes of a reconstruction or amalgamation on terms previously approved by Extraordinary Resolution of the Noteholders, an order is made or an effective resolution is passed for the winding up of the Issuer, any Noteholder may, by written notice to the Agent, declare such Note to be due and payable whereupon the same shall become immediately due and payable at its Early Redemption Amount as may be specified in or determined in accordance with the applicable Final Terms or the Drawdown Prospectus (as the case may be), together (if appropriate) with interest accrued to (but excluding) the date of redemption unless such Subordinated Default Event shall have been remedied prior to receipt of such notice by the Agent.

15. Meetings of Noteholders, Modification and Waiver

Without prejudice to the provisions on the meetings of the Alpha Bank Noteholders, included in Condition 20 below, the Agency Agreement contains provisions (which shall have effect as if incorporated herein) for convening meetings of the Noteholders to consider any matter affecting their interests, including (without limitation) the modification by Extraordinary Resolution (as defined in the Agency Agreement) of these Terms and Conditions. An Extraordinary Resolution passed at any meeting of the Noteholders will be binding on all Noteholders whether or not they are present at the meeting, and on all holders of Coupons or Receipts relating to the Notes.

The Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (i) any modification (except such modifications in respect of which an increased quorum is required, as described in the Agency Agreement) of the Notes, the Receipts, the Coupons or the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (ii) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of law.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 18 as soon as practicable thereafter.

16. Replacement of Notes, Receipts, Coupons and Talons

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent in London (or such other place as may be notified to the Noteholders), in accordance with all applicable laws and regulations, upon payment by the claimant of the costs and expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

17. Prescription

The Notes, Receipts and Coupons will become void unless presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 13) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 17 or Condition 7(b) or any Talon which would be void pursuant to Condition 7(b).

18. Notices

All notices to Noteholders regarding the Notes shall be valid if published in the *Financial Times* or another leading English language daily newspaper with circulation in London. The Issuer will ensure that notices to Noteholders are published (a) if and for so long as the Notes are listed on the Luxembourg Stock Exchange, in a daily newspaper with circulation in Luxembourg, which is expected to be the *Luxemburger Wort* or on the website of the Luxembourg Stock Exchange (www.bourse.lu) and (b) in a manner which complies with the rules and regulations of any other stock exchange (or other relevant authority) on which the Notes are for the time being listed. Any such notices will, if published more than once, be deemed to have been given on the date of the first publication, as provided above.

Except in the case of Notes listed on the Luxembourg Stock Exchange (unless its rules so permit), until such time as any definitive Notes are issued, there may, so long as the global Note(s) representing the Notes is or are held in its or their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication as aforesaid the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg, as appropriate, for communication by them to the Noteholders. Any such notice shall be deemed to have been given to the Noteholders on the seventh day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg, as appropriate.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a global Note, such notice may be given by any Noteholder to the Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

The holders of Receipts, Coupons and Talons will be deemed for all purposes to have notice of the contents of any notice given to Noteholders in accordance with this Condition.

Any notice concerning the Alpha Bank Notes shall be given to the Alpha Bank Noteholders Agent. Any such notice shall be deemed to have been given to the Alpha Bank Noteholders on the seventh day after the day on which the said notice was given to the Alpha Bank Noteholders Agent unless the Alpha Bank Notes have been placed and sold by way of a Public Offer in Greece in the sense of article 2 paragraph 1(d) of Greek law 3401/2005 implementing into Greek law Directive 2003/71/EC, in which case any such notice will also be published in accordance with the provisions of article 5 of Greek law 3156/2003 should such law 3156/2003 apply to Alpha Bank Notes.

19. Substitution of the Issuer

- (a) The Issuer may, without the consent of any Noteholder or Couponholder, substitute for itself any other body corporate incorporated in any country in the world as the debtor in respect of the Notes, any Coupons, the Deed of Covenant, the Alpha Bank Noteholders Agency Agreement (as defined in Condition 20 below), in case of issue of Alpha Bank Notes, and the Agency Agreement (the "**Substituted Debtor**") upon notice by the Issuer and the Substituted Debtor to be given in accordance with Condition 18, provided that:
- (i) the Issuer is not in default in respect of any amount payable under the Notes;
 - (ii) the Issuer and the Substituted Debtor have entered into such documents (the "**Documents**") as are necessary to give effect to the substitution and in which the Substituted Debtor has undertaken in favour of each Noteholder to be bound by these Terms and Conditions and the provisions of the Agency Agreement as the debtor in respect of the Notes in place of the Issuer (or of any previous substitute under this Condition 19);
 - (iii) the Substituted Debtor shall enter into a deed of covenant in favour of the holders of the Notes then represented by a global Note on terms no less favourable than the Deed of Covenant then in force in respect of the Notes;

- (iv) if the Issuer is Alpha PLC and the Substituted Debtor is not Alpha Bank, the Guarantee extends to the obligations of the Substituted Debtor under or in respect of the Notes, any Coupons, the Deed of Covenant and the Agency Agreement and continues to be in full force and effect;
 - (v) if the Substituted Debtor is resident for tax purposes in a territory (the “**New Residence**”) other than that in which the Issuer prior to such substitution was resident for tax purposes (the “**Former Residence**”), the Documents contain an undertaking and/or such other provisions as may be necessary to ensure that following substitution, each Noteholder would have the benefit of an undertaking in terms corresponding to the provisions of Condition 13, with (a) the substitution of references to the Issuer with references to the Substituted Debtor (to the extent that this is not achieved by Condition 19(a)(ii)) and (b) the substitution of references to the Former Residence with references to both the New Residence and the Former Residence;
 - (vi) the Substituted Debtor and the Issuer have obtained all necessary governmental approvals and consents for such substitution and for the performance by the Substituted Debtor of its obligations under the Documents;
 - (vii) legal opinions shall have been delivered to the Agent from lawyers of recognised standing in the jurisdiction of incorporation of the Substituted Debtor, in England and in Greece as to the fulfilment of the requirements of this Condition 19 and that the Notes and any Receipts, Coupons and/or Talons are legal, valid and binding obligations of the Substituted Debtor;
 - (viii) if Notes issued or to be issued under the Programme have been assigned a credit rating by Fitch Ratings Ltd., Moody’s Investors Service Limited and/or Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc., as the case may be, having been notified of the proposed substitution, shall not have stated within 30 days thereafter that, as a result of such substitution, the credit rating of the Notes would be downgraded;
 - (ix) each stock exchange on which the Notes are listed shall have confirmed that, following the proposed substitution of the Substituted Debtor, the Notes will continue to be listed on such stock exchange; and
 - (x) if applicable, the Substituted Debtor has appointed a process agent as its agent in England to receive service of process on its behalf in relation to any legal proceedings arising out of or in connection with the Notes and any Coupons.
- (b) Upon such substitution the Substituted Debtor shall succeed to, and be substituted for, and may exercise every right and power, of the Issuer under the Notes, any Coupons, the Deed of Covenant and the Agency Agreement with the same effect as if the Substituted Debtor had been named as the Issuer herein, and the Issuer shall be released from its obligations under the Notes, any Receipts, Coupons and/or Talons, the Deed of Covenant and under the Agency Agreement.
 - (c) After a substitution pursuant to Condition 19(a) the Substituted Debtor may, without the consent of any Noteholder or Couponholder, effect a further substitution. All the provisions specified in Conditions 19(a) and 19(b) shall apply *mutatis mutandis*, and references in these Terms and Conditions to the Issuer shall, where the context so requires, be deemed to be or include references to any such further Substituted Debtor.
 - (d) After a substitution pursuant to Condition 19(a) or 19(c) any Substituted Debtor may, without the consent of any Noteholder or Couponholder, reverse the substitution, *mutatis mutandis*.
 - (e) The Documents shall be delivered to, and kept by, the Agent. Copies of the Documents will be available free of charge during normal business hours at the specified office of each of the Paying Agents.

20. Alpha Bank Noteholders Agent

Prior to the completion of an issue of Alpha Bank Notes, if so required by Law 3156/2003 of Greece (to the extent applicable), Alpha Bank shall appoint an Alpha Bank Noteholders Agent by way of a written contract (the “**Alpha Bank Noteholders Agency Agreement**”) and in accordance with provisions of Law 3156/2003.

The Alpha Bank Noteholders Agent shall be either a Credit Institution or an Investment Firm under Law 3606/2007, implementing into Greek Law Directive 2004/39/EC of the European Parliament and of the

Council on markets in financial instruments (“**MiFID**”), which shall be authorised to render in Greece the regulated investment service of underwriting in respect of issues of any of the instruments listed in Section C of the Annex I of the MiFID and/or placing of such issues.

The Alpha Bank Noteholders Agent shall *inter alia*:

- (i) represent the interests of the Alpha Bank Noteholders *vis-à-vis* Alpha Bank and any third parties;
- (ii) co-operate with Euroclear or Clearstream, Luxembourg, for the registration of the interests of the Alpha Bank Noteholders in the accounts of Euroclear System;

The Alpha Bank Noteholders Agency Agreement shall include, among others, provisions for the meetings of the Alpha Bank Noteholders in accordance with Law 3156/2003.

The meetings of the Alpha Bank Noteholders shall be entitled to vary or terminate the appointment of the Alpha Bank Noteholders Agent in accordance with the provisions of Law 3156/2003 and the Terms and Conditions of the Alpha Bank Notes.

The particular duties, rights and liabilities of the Alpha Bank Noteholders Agent and any amendment to the Conditions of this Base Prospectus, inherent to (i) the appointment of the Alpha Bank Noteholders Agent; and (ii) the entering into the Alpha Bank Noteholders Agency Agreement, shall be included in the applicable Final Terms or the Drawdown Prospectus (as the case may be) and/or, if necessary, any supplement to this Base Prospectus which will be prepared for the issue of the Alpha Bank Notes.

21. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders to create and issue further notes ranking *pari passu* in all respects (or in all respects save for the amount and date of the first payment of interest thereon) with the outstanding Notes and so that the same shall be consolidated and form a single series with the outstanding Notes.

22. Governing Law and Jurisdiction

- (a) The Agency Agreement, the Deed of Covenant, the Deed of Guarantee, the Notes, the Receipts and the Coupons and all non-contractual obligations arising out of or in connection with each of them are governed by English law except that (i) Condition 20, (ii) in the case of Dated Subordinated Notes issued by Alpha Bank, Condition 3(a) and, (iii) in the case of Dated Subordinated Notes issued by Alpha PLC, Condition 3(b) and Clause 5.8 of the Guarantee are governed by and shall be construed in accordance with Greek law.
- (b) Alpha Bank irrevocably agrees, for the exclusive benefit of the Noteholders that the courts of England shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with the Agency Agreement, the Deed of Covenant and the Notes (including any suit, action, proceeding or dispute relating to any non-contractual obligation arising out of or in connection with the Agency Agreement, the Deed of Covenant and the Notes) (together “**Proceedings**”) and, for such purpose, irrevocably submits to the jurisdiction of such courts.
- (c) Alpha Bank irrevocably and unconditionally waives and agrees not to raise any objection which it may have now or subsequently to the laying of the venue of any Proceedings in the courts of England and any claim that any Proceedings have been brought in an inconvenient forum and further irrevocably and unconditionally agrees that a judgment in any Proceedings brought in the courts of England shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction. Nothing in this Condition shall limit any right to take Proceedings against Alpha Bank in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.
- (d) Alpha Bank irrevocably and unconditionally agrees that service in respect of any Proceedings may be effected upon Alpha Bank AE, London branch at 66 Cannon Street, London EC4N 6EP and

undertakes that in the event of it ceasing to maintain a London branch Alpha Bank will forthwith appoint a further person as its agent for that purpose and notify the name and address of such person to the Agent and agrees that, failing such appointment within fifteen days, any Noteholder shall be entitled to appoint such a person by written notice addressed to Alpha Bank and delivered to Alpha Bank or to the specified office of the Agent. Nothing contained herein shall affect the right of any Noteholder to serve process in any other manner permitted by law.

23. Contracts (Rights of Third Parties) Act 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

THE GROUP

The Group is one of the leading banking and financial services groups in Greece, offering a wide range of services including retail banking (deposits, consumer lending, credit cards, mortgage lending, leasing, factoring and lending to small and medium-sized enterprises), corporate banking, treasury operations, investment banking and brokerage services, asset management and private banking, insurance services and real estate management and brokerage. The Bank is the parent company of the Group and is the principal bank within the Group. Alpha PLC is a finance subsidiary of the Bank. The Group's extensive national and international branch and ATM network, in combination with the advanced new on-line and telephone channels offering banking and brokerage services, are used to service approximately 3.5 million customers, particularly in retail and corporate deposit, loans and fund management accounts, which gives the Group a strong presence in the domestic Greek market as well as in the markets of Southeastern Europe. The Group also has an international presence with branches in London and New York.

The Bank's management considers other competitive strengths of the Group as being its large customer base, its highly motivated and trained personnel, its advanced IT systems and its recently reorganised and modernised branch network, which has extended its ability in product innovation and for offering a wide range of services and opportunities for cross-selling products of the Group through its traditional and alternative distribution channels.

As of 31 December 2008, consolidated total assets of the Bank were approximately €65.3 billion, loans and advances to customers were €52.0 billion and customer assets €48.3 billion of which deposits and Alpha Bank bonds issued for the retail clientele stood at €42.5 billion approximately. Total equity (including hybrid securities) on a consolidated basis was €3.9 billion as of 31 December 2008, with a total BIS ratio of 10.1 per cent. and Tier 1 capital ratio of 8.3 per cent. Approximately 71 per cent. of the Bank's funding is obtained through deposits and retail bonds.

The Bank's equity is widely held, with approximately 116,000 shareholders. As at end January 2009, institutional shareholders held approximately 49.0 per cent. of the Bank's issued capital (of which approximately 39.0 per cent. is held by foreign institutional investors and 10.0 per cent. by Greek institutional investors). Mr Y.S. Costopoulos, Chairman of the Bank, together with other members of the founding family, held an aggregate of approximately 11.0 per cent. of total shares outstanding. Finally, private shareholders own approximately 39.0 per cent. of the Bank's share capital. Since April 2008, the Annual General Meeting of shareholders, according to the provisions of Greek law, has approved the establishment of a share buy back programme for 5 per cent. of the total shares issued. Alpha Bank shares are traded in the Athex, in the London Stock Exchange in the form of global depository receipts (GDRs) and over-the-counter in the US in the form of American depository receipts (ADRs).

With respect to its business strategy, the Bank follows closely the economic prospects of the markets in which it has and/or aspires to build its presence, notably in Greece and the neighbouring Southeastern European countries, which have been impacted by volatility in the financial markets (related, in part, to the U.S. subprime crisis). These negative developments have increased the cost of borrowing and negatively impacted overall liquidity. Consequently, the Bank will continue to opt for a balanced growth pattern, currently redefined in the context of a more proactive deposit gathering activity, for which the Bank will employ its strong brand name to enhance its strong and stable depositor base through its large and geographically diversified branch network of more than 1,000 units in Greece and in Southeastern Europe.

BUSINESS OF THE ALPHA BANK GROUP

Introduction

The Bank was established in 1879 as the banking branch of J.E. Costopoulos Company, a trading firm operating in the southern Peloponnesian town of Kalamata. As of 10 March 1918, the Bank was incorporated as the Bank of Kalamata A.E. and, in 1924, having moved its headquarters to Athens during the same year, changed its name to Banque de Credit Commercial Hellenique A.E. The shares of the Bank were listed on the Athex in 1925. In 1947, its name was changed to Commercial Credit Bank, in 1972 to Credit Bank A.E. and in 1994 to Alpha Credit Bank A.E. On 19 April 1999, the Group acquired 51 per cent. of the issued share capital of Ionian Bank for GRD 272 billion following a competitive bid process. On 11 April 2000, the merger with Ionian Bank was approved through absorption by Alpha Credit Bank. The name of the enlarged new bank resulting from this merger was Alpha Bank A.E.

Alpha Group is also active in the international banking market, with a presence in Romania, Bulgaria, Serbia, Albania, FYROM, Ukraine, Cyprus, London, Jersey and Guernsey in the Channel Islands, and New York.

The Bank is incorporated and registered in the Hellenic Republic as a public company under Codified Law 2190/20, incorporated with limited liability (registered number 6066/06/B/86/05) for the period ending 2100. The life of the Bank may be extended by a resolution of the shareholders. The Bank is subject to regulation and supervision by the Bank of Greece and to Greek banking and accounting law.

The objects of the Bank as set out in Article 4 of the Bank's Articles of Association are "to engage in, and to transact, in Greece and abroad, any and all banking operations, in conformity with whatever rules and regulations may be in force from time to time"

The Structure and Principal Activities of the Group

The Bank is the parent company of the Group and is the principal bank within the Group. The organisation structure of the Alpha Group has been one of the main contributors for its successful development in the past decade. However, the increase in its size, the acquisition of Ionian Bank and the rapid developments in the market have rendered necessary a restructuring of the Group's organisation and operations. The administrative plan that has been adopted reflects current-day trends in the market and the size and sectors of the Group's activities, and is designed to serve adequately in the future.

All the activities of the companies of the Group are divided into six large Business Units, with enhanced management and administrative responsibilities. These Business Units are the following:

- Retail and Small Business Banking
- Commercial and Corporate Banking
- Asset Management
- Investment Banking and Treasury
- Southeastern Europe
- Other

Retail Banking

The Bank is a major participant in the retail banking sector in Greece and has a domestic branch network of 421 bank branches, 14 private banking branches, supported by a dense nationwide ATM network of 838 units through which more than 17 per cent. of the traditional banking transactions are processed. Retail banking activities include deposits, investment products, bank assurance and standard insurance products, banking activities on commission (mutual funds, credit cards, capital transfers, brokerage activities, payroll services), loans to individuals (consumer and housing loans), loans to small and medium-sized firms, letters of guarantee, leasing and factoring.

Customer savings: Deposits, customer repos and Alpha Bank bonds sold to retail customers, effectively serving as time deposits, amounted to €42.5 billion in December 2008, compared with €34.7 billion at the end of December 2007. Mutual funds reached €1.8 billion at the end of December 2008, while private banking balances reached €3.0 billion, primarily reflecting the negative impact from the unfavourable fundamentals prevailing in 2008.

Customer loans: Total loans on a consolidated basis (before allowances for loan impairment) amounted to €51.9 billion at the end of December 2008 compared with €42.9 billion at the end of December 2007, registering an increase of 21.1 per cent. on a year-on-year basis.

In particular, mortgage credit reached €11.2 billion at end December 2008, an increase of 13.3 per cent., as the Bank consolidated its second position in the market, fending-off intense competitive pressures with regular product innovation. At the same period, consumer credit continued to excel as the Bank intensified its marketing efforts to benefit from a mix of multiple distribution channels. In that context, consumer loan balances rose by 19.5 per cent. to €3.6 billion, with new disbursements standing at €0.6 billion (up 24.5 per cent.). Credit card balances advanced by 14.6 per cent. reaching €1.4 billion, driven by the increasing success of its proprietary multi-retailer "Bonus Card" loyalty programme. Moreover, small business loans (extended to companies with turnover below €2.5 million or credit limits up to €1 million) rose by 14 per cent., while loans to very small businesses (defined as those with credit limits up to €90,000) increased by 20.2 per cent. In the area of small businesses the Bank is actively promoting its co-operation with the Credit Guarantee Fund for small and very small businesses (TEMPME) and the Bank is preparing the rollout of its newly established EIB-sponsored facility for SME investment financing. The Bank's performance in the area of small businesses has remained relatively unaffected despite tight liquidity conditions, which is primarily due to the sharpening of its focus through dedicated product offerings, centralisation of credit approvals and back office operations in addition to the enhanced coverage of its branch network.

Commercial & Corporate Banking (including Shipping)

The Bank provides a full range of corporate banking services to Greek companies, foreign corporations active in Greece and, to a lesser degree, public sector entities. Its commercial lending portfolio at the end of December 2008 consisted principally of loans to trade (21 per cent. of total loans) and manufacturing (21.5 per cent. of total loans) sectors.

The Bank offers a number of services to its commercial customers including acceptance of deposits, short, medium and long-term lending both in euro and foreign currencies, bill discounting, foreign exchange dealing, dealings in treasury and money market instruments, letters of guarantee, factoring and leasing. Other services include capital markets and other cash and risk management services. The Bank also provides certain other banking services, including processing of its corporate customers, payrolls, clearing cheques and other money transfers for its customers.

International Banking Activities

A significant factor reinforcing the presence of Greek firms in Southeastern Europe is the improvement over recent years in the economic and political situation in the region, stemming from the process of the countries' accession to the EU. The advancement of important structural reforms in conjunction with the application of sound reconstruction and development programmes, contributes to the attainment of rapid growth and reinforces demand for financial services, rendering such countries very attractive. These factors have encouraged the Bank to keep strengthening its presence in the region.

Investment Banking

The Group's Investment Banking activities are conducted through Alpha Finance. Alpha Finance is one of the leading securities firms active in the Athens Exchange with a market share of 6.35 per cent at end December 2008. Despite the low volume of activity in the domestic capital market, Alpha Finance has maintained its strong presence in the Greek market. Beyond conventional brokerage transactions in the primary and secondary markets, Alpha Finance is also active in the derivatives and capital markets.

Alpha Finance US Corporation ("AFUS")

AFUS was established in New York in 1999. AFUS is a broker/dealer committed to serving the international needs of US institutional and private clients. Through the Bank's subsidiaries and network of 1,069 branches in Greece, Great Britain, and selected countries in Southeastern Europe (namely Cyprus, Romania, Bulgaria, Albania, Serbia, FYROM and Ukraine) AFUS is able to leverage its regional expertise in Southeastern Europe by providing research, execution, and clearing services on an agency basis for equity and fixed income securities. Each AFUS client has direct access to Southeastern European regional markets through the company's equity sales force.

AFUS is responsible for establishing a representative office of Alpha Bank in North America.

Asset Management

The management of funds entrusted to the Group by its clients and several other categories of investment services are undertaken by Alpha Asset Management Mutual Fund Management Company and Alpha Investment Services.

Distribution Network

Branch network: At the end of 2008, the Group possessed an extensive branch network (Alpha Bank: 431 branches in Greece and 168 branches abroad, Alpha Private Bank: 14 branches, Alpha Bank Cyprus: 38 branches, Alpha Bank Romania: 200 branches, Alpha Bank AD Skopje: 25 branches, Alpha Bank London Ltd: 2 branches, Alpha Bank Serbia: 167 branches and Astra Bank O.J.S.C. Ukraine: 24 branches).

In addition to the ATM and EFT/POS networks, the Bank provides banking services via the internet, the fixed telephony and mobile telecommunications networks

Risk Management

The Risk Management Division is responsible for measuring market, credit, liquidity, operational risk, control limits and the risk adjusted returns on capital for the Group. It is also responsible for preparing material for the Asset Liability Committee, which meets once a month.

The Bank uses the Value at Risk (VAR) methodology to measure market risk. This methodology is used for trading activities in Greece, Romania and Cyprus. Back-testing is performed on a daily basis in order to check the validity of the models. The Risk Management Division is responsible for controlling trading limits. From 2002, the Bank installed KVAR+ credit risk module and is able to measure accurately the credit risk associated with treasury products (corporate bonds, interbank placements, etc.).

For the banking book, the Risk Management Division uses IPS-Sendero as the asset liability management system.

For the measurement of credit risk, the Bank has a credit rating system, which assigns ratings to borrowers on the basis of financial data, previous payment behaviour and various qualitative criteria. For Large Corporate Loans the Bank uses Moody's MRA. Moreover the Bank has instituted specific approval limits at every level of approval and a specific credit policy depending on credit risk assessments. Finally the Bank continuously monitors changes in the creditworthiness of its borrowers and responds appropriately.

Internal Audit

The Bank has an audit committee (the "**Audit Committee**") which comprises three non-executive members of the Bank's board of directors. The current members of the Audit Committee are Paul. G. Karakostas (Chairman), George E. Agouridis (Member) and Evangelos J. Kaloussis (Member). The Audit Committee convenes at least four times annually and examines the quarterly financial statements prior to their submission for approval. The Group Compliance Officer and the Internal Auditor report to the Audit Committee.

Credit Analysis Procedures

The Bank follows a set procedure for the approval of new loans and the review of existing facilities. Branches and Branch Divisions enjoy the discretion to authorise loans up to given limits of €1.0 million or to companies with annual sales of up to €2.5 million. Above these limits, approval must be sought from one of the ten Commercial Centres or the supervising Commercial Centre Division, which may authorise loans up to €15 million or to companies with sales up to €75 million.

Loan applications beyond the discretion of Commercial Centre Division are submitted to the Group credit committee, which may authorise loans up to €15 million and loans to companies with sales above €75 million. The approval of the credit committee is also subject to validation by the board of directors.

Impairment losses on loans and advances

The Bank has one of the healthiest loan portfolios in the Greek banking market. Allowances for credit risk reached €1,280 million at the end of December 2008 while write-offs totalled €222 million. Credit costs as a percentage of average loans stood at 114 bps in 2008 compared with 70 bps in 2007, reflecting the proactive measure of building-up impairment reserves in anticipation of deteriorating credit conditions both in Greece and in Southeastern Europe. Its NPL (Non-Performing Loans) ratio,

under IFRS 7, reached 3.9 per cent. in December 2008, slightly rising from 3.7 per cent. a year earlier, while coverage stood at 61 per cent. of NPLs and at 140 per cent. when collaterals are taken into account.

Asset and Liability Management

The Bank's asset and liability management policy is designed to structure its balance sheet in order to control exposure to liquidity, interest rate and exchange rate risks, as well as to enable the Bank to take advantage of market opportunities which it believes may contribute to its profits. Overall responsibility resides with the general management of the Bank to determine its general asset and liability policy. Day-to-day asset and liability management is delegated to the Treasury Division. The positions that could be taken by each operating unit are, however, limited by specific guidelines established by the general management relating to interest rate, exchange rate and liquidity exposure.

Capital Adequacy: The ratios measure capital adequacy by comparing the Group's regulatory own funds with the risks that it undertakes (risk weighted assets). Own funds include Tier I capital (share capital, reserves, minority interest, hybrid debt) and Tier II capital (subordinated debt and fixed assets revaluation reserves). The risk weighted assets arise from the credit risk of the investment portfolio and the market risk of the trading portfolio.

On a consolidated basis, the Tier 1 capital ratio at 31 December 2008 was 8.3 per cent. while the capital adequacy ratio was 10.1 per cent.

From 1 January 2008, capital adequacy is calculated under the new regulatory framework (Basel II) which has been transposed into Greek law by Law 3601/2007. The new regulatory framework significantly amends the measurement of credit risk and introduces capital requirements for operational risk. There are no significant changes for market risk. The Bank is currently applying the Standardised Approach for the measurement of the credit risk of the investment portfolio and operational risk.

Supervision: The Greek banking system is supervised by the Bank of Greece, which is the country's central bank. The Governor and Deputy Governor of the Bank of Greece are currently nominated by the government, which is also able to influence the election of the remaining nine members of the Central Bank's general council.

Treasury: The Treasury Division is responsible for managing the Bank's assets and liabilities. Its goal is to maximise the Bank's income, according to certain established risk policies and limits, and manage the liquidity requirements deriving from all the Bank's commercial and trading activities.

Interbank, counterparty and trading limits are reviewed by the board of directors of the Bank at least annually. Internal procedures are in place to ensure adherence to the limits and processes. The Risk Management unit of the Bank is responsible for monitoring adherence and reports directly to the General Management. The Risk Management unit applies daily, sensitivity analysis methods and the value at risk methodology to measure the interest and foreign exchange exposures of the Bank and runs monthly stress testing scenarios. It produces management review reports and presents them to the Executive General Management and the Treasury Division.

The Asset and Liability Committee (ALCO), which comprises the Executive General Management and the management of Treasury, Risk Management, Accounting and Economic Research divisions, meets on a monthly basis unless otherwise required. It reviews interest rate exposure, operational liquidity, pricing strategies, regulatory requirements and developments and capital adequacy directives and is responsible for the prudent planning and management of the on- and off-balance sheet of the Bank in order to optimise the Bank's overall performance.

DIRECTORS AND MANAGEMENT

The Bank is managed by a Board of Directors (the “**Board**”) comprising by a minimum of nine and a maximum of fifteen directors (“**Directors**”), elected by the shareholders at their General Meetings. Directors hold office for a term of four years and may be re-elected by the shareholders to serve multiple terms. The current Board’s term ends in 2010.

The Board must elect a Chairman of the Board and a Vice Chairman of the Board from among the Directors.

The Board resolves all matters concerning management and administration of the Bank except those which, under the Articles of Incorporation or under applicable law, are the sole prerogative of shareholders acting at a General Meeting. Following a request by at least two Directors, the Chairman is obliged to convene a Board meeting.

Unless otherwise stipulated by law or the present Articles of Incorporation, the resolutions of the Board shall be passed by absolute majority of the members present or duly represented and, in the event of an equal split of votes, the Chairman’s vote shall prevail.

A Director may not vote on, or be counted in the quorum in relation to, any resolution concerning any contract or arrangement in which he, or certain of his relatives, is or are interested, directly or indirectly.

Without prejudice to the Articles of Incorporation, the Board shall be deemed in quorum when no less than one-half plus one of its members are present or are duly represented. However, the number of Directors present in person may in no case be less than six. In order to determine a quorum, the total of members attending the meeting is counted using absolute numbers.

A member of the Board, who is absent from a meeting for any reason whatsoever, may be represented by another member the absentee has appointed via a letter, a telex, a cable, a telefax or an e-mail addressed to the Board. A member of the Board may not represent, under any circumstances, more than one member.

The absence of a Director from Board meetings for a period exceeding six consecutive months may be considered by the Board as constituting his resignation.

The current Board was elected at the General Meeting held on 19 April 2005, and an additional Director was appointed by a resolution adopted at the General Meeting of shareholders on 3 April 2008, bringing the total number of Directors to fifteen. The Board, while retaining responsibility for approving general policy and overall responsibility for significant decisions affecting the Bank, delegates day-to-day management to the Chairman, the Managing Director of the Bank and the General Managers of the Bank.

In accordance with Law 3723/2008, the Extraordinary General Meeting of Shareholders of Alpha Bank held on 12 January 2009 approved:

- the increase of the share capital of the Bank in a maximum amount of Euro 950,000,000, in accordance with Law 3723/2008, by means of the issuance and distribution of new, redeemable, preferred, non-voting, shares in material form, together with the abolition of the pre-emptive rights, if any, of its existing shareholders;
- the grant of authority to the Board of the Bank to specify the terms (of issuance) of the preferred shares;

- the increase of the maximum number of members of the Board and the consequent amendment of article 7 of the Articles of Incorporation of the Bank; and
- the election of the Representative as an additional new member of the Board in accordance with Law 3723/2008, subject to the Greek State’s due and timely participation in the share capital of the Bank. The implementation is subject to the participation of the Greek State in the share capital of the Bank.

The business address of the Directors is Alpha Bank A.E., 40 Stadiou Street, GR-102 52, Athens, Greece.

GUARANTEE OF DEBT SECURITIES BY THE HELLENIC REPUBLIC

Under Law 3723/2008 of the Hellenic Republic the Minister of Economy and Finance has the power to provide a guarantee on behalf of the Hellenic Republic for debt securities issued by credit institutions licensed by the Bank of Greece. This power was granted as part of a package of measures designed to stabilise the financial markets in the Hellenic Republic. The support package has been approved by the European Commission as being compatible with EC Treaty State aid rules.

Nature of the guarantee

Pursuant to Law 3723/2008 a credit institution may apply to the Minister of Economy and Finance for debt securities to be guaranteed by the Hellenic Republic provided such securities fulfil certain criteria. Securities with the benefit of a guarantee from the Hellenic Republic granted pursuant to Law 3723/2008 will be guaranteed pursuant to a guarantee to be given by the Hellenic Republic in favour of the holders of the relevant securities. Where the applicable Final Terms indicate that such debt securities are unconditionally and irrevocably guaranteed by the Hellenic Republic pursuant to Law 3723/2008 and associated Ministerial decisions ("**Guaranteed Debt Securities**") such debt securities will be unconditionally and irrevocably guaranteed by the Hellenic Republic.

Exemption from the provisions of the Prospectus Directive

Pursuant to Article 1.2(d) of the Prospectus Directive the provisions of the Prospectus Directive will not apply to any issue of Guaranteed Debt Securities. No election has been made by Alpha Bank for Guaranteed Debt Securities to be treated as being within the scope of the Prospectus Directive.

No Notes issued pursuant to this Base Prospectus will be Guaranteed Debt Securities and Guaranteed Debt Securities may not be offered to the public in any country of the European Union or admitted to trading on the regulated market of any country of the European Union using this Base Prospectus. In respect of an issue of Guaranteed Debt Securities, a separate information memorandum will be prepared.

- 5.5 No Beneficiary shall be obliged before exercising any of the rights, powers or remedies conferred upon it by this Deed of Guarantee or by law:
- (a) to make any demand of Alpha PLC, save for the presentation of the relevant Note;

- 11.1 This Deed of Guarantee (other than Clause 5.8) and all non-contractual obligations arising out of or in connection with this Deed of Guarantee are governed by, and shall be construed in accordance with, English law. Clause 5.8 is governed by, and shall be construed in accordance with, Greek law.
- 11.2 The Guarantor agrees, for the exclusive benefit of the Beneficiaries, that the courts of England shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with this Deed of Guarantee (including any suit, action, proceeding or dispute relating to any non-contractual obligation arising out of or in connection with this Deed of Guarantee) (respectively, "**Proceedings**" and "**Disputes**") and, for such purposes, irrevocably submits to the jurisdiction of such courts.
- 11.3 The Guarantor irrevocably waives any objection which it might now or hereafter have to the courts referred to in Clause 11.2 being nominated as the forum to hear and determine any Proceedings and to settle any Disputes, and agrees not to claim that any such court is not a convenient or appropriate forum.

11.4 The Guarantor agrees that the process by which any Proceedings are begun may be served on it by being delivered to Alpha Bank AE, London Branch at its principal place of business for the time being in England (currently 66 Cannon Street, London EC4N 6EP). If the Guarantor ceases to maintain a branch in England, the Guarantor shall appoint a further person in England to accept service of process on its behalf. Nothing in this sub-clause shall affect the right to serve process in any other manner permitted by law.

11.5 The submission to the jurisdiction of the courts referred to in Clause 11.2 shall not (and shall not be construed so as to) limit any right to take Proceedings in any other court of competent jurisdiction, nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

12. MODIFICATION

The Agency Agreement contains provisions for convening meetings of Holders to consider matters relating to the Notes, including the modification of any provision of this Deed of Guarantee. Any such modification may be made by supplemental deed poll if sanctioned by an Extraordinary Resolution and shall be binding on all Beneficiaries.

IN WITNESS whereof this Deed of Guarantee has been executed by the Guarantor and is intended to be and is hereby delivered on the date first before written.

TAXATION

Taxation in the Hellenic Republic

The following discussion of Greek taxation, as it relates to the Notes, and to the Guarantee, is of a general nature and is based on the provisions of tax laws as amended and currently in force in Greece. Since limited precedent, administrative guidelines or evidence of practical application of the Greek taxation framework on withholding taxes, as amended, exists, the discussion below on Greek withholding tax is qualified in its entirety. Noteholders who are in doubt as to their personal tax position should consult their professional advisers.

Also, in so far as it relates to Notes issued by Alpha Bank the discussion below is limited to the payment of interest under Notes as per the terms of which the redemption amount of such Notes may not be less than the principal amount thereof upon their issue (including for the avoidance of doubt Index Linked Notes, Equity Linked Notes and/or Notes linked to one or more Reference Items as per the applicable Final Terms or Drawdown Prospectus of which the Redemption Amount payable upon Redemption of such Notes may be less than the nominal amount invested in such Notes.

A. Greek withholding tax

Payments of interest under the Notes

In relation to payments of Notes issued by Alpha Bank or Alpha PLC, which represent accrued interest on the Notes, a withholding tax of 10 per cent. will be imposed on holders of Notes who are tax residents in Greece and on holders who maintain for tax purposes, a permanent establishment in Greece. However, such withholding will only be imposed on payments by credit institutions registered or established in Greece, qualifying as *paying agents* in the sense of par. 2(a) of article 4 of Law 3312/2005 ((Gov. Gazette No A 35/2005) implementing into Greek Law the EU Savings Directive — the “**Implementing Law**”), upon collection of interest on behalf of the Greek tax residents. Such withholding exhausts the tax liability of certain categories of Greek tax residents, including among others, individual holders, credit institutions or insurance undertakings.

Notwithstanding the above, no Greek withholding will be imposed on individual holders, providing evidence that they have not received or secured such interest for their own benefit, in the sense of article 4 par. 1 (a) to (c) of the Implementing Law.

Also, in relation to payments made to holders of Notes issued by Alpha Credit Group PLC under the Notes which represent accrued interest, no withholding tax on account of Greek tax laws will be imposed on holders who are not Greek tax residents or do not maintain for tax purposes, a permanent establishment in Greece, to the extent that such payment of interest under the Notes is effected outside Greece.

No Greek withholding will be imposed on payments of principal under the Notes.

Payments of interest under the Guarantee

In relation to payments made to holders of Notes by Alpha Bank under the Guarantee which represent accrued interest on the Notes:

- (1) a withholding tax of 20 per cent., which does not exhaust the tax liability of the holder, will be imposed on holders of Notes who are tax resident in Greece and on holders who maintain, for tax purposes, a permanent establishment in Greece,

unless payment of interest under the Guarantee qualifies as interest in the sense of article 4 par. 3 of the Implementing Law, the Guarantor acts as *paying agent* in the sense article 4 par. 2 of the Implementing Law, and the holder is an individual, providing evidence that he has not received or secured such interest for his own benefit, in the sense of article 4 par. 1 (a) to (c) of the Implementing Law. In such a case no Greek withholding shall apply.

And

- (2) a withholding tax of 25 per cent., which exhausts the tax liability of a holder of Notes, will be imposed on holders of Notes who are companies or legal entities (other than “residual entities” of art. 4 par. 2 of the Implementing Law), and who are not resident in Greece and do not maintain for tax purposes a permanent establishment in Greece.

However, if such a holder of a Note is a resident of a country with which Greece has executed a bilateral treaty for the avoidance of double taxation then the provisions of such bilateral treaty shall prevail over the provisions of internal Greek tax laws and shall apply, provided that such a holder of a Note presents a tax residence certificate issued at a date not later than one (1) year before such certificate is presented.

No Greek withholding will be imposed on payments of principal under Guarantee by Alpha Bank.

B. Implementation of the EU Savings Directive

On 3 June 2003 the EU Council of Economic and Finance Ministers adopted the EU Savings Directive.

Greece implemented the EU Savings Directive by virtue of Law 3312/2005 (Gov. Gazette No A 35/2005).

The purpose of this section is to provide a summary of the mechanics introduced by Law 3312/2005 for the purposes of such implementation. Capitalised terms used in this Taxation Section and not defined in the Base Prospectus shall have the meaning given to them in the EU Savings Directive.

Under the aforesaid implementing Greek Law 3312/2005, Greek Paying Agents paying interest, payable under the Notes or the Guarantee, to or securing the payment of such interest for the benefit of any EU individual holder (natural person) of Note(s), who is not a resident of the Hellenic Republic for tax purposes, shall be required to report to the Greek Competent Authority, being the Directorate of International Financial Affairs of the Ministry of Economy and Finance, certain information (consisting of, among others, the identity and residence of such individual holder of Note(s), the name and address of the paying agent etc.)

The Directorate of International Financial Affairs of the Ministry of Economy and Finance shall in turn communicate the above information to the respective Competent Authority of the Member State in which such holder of Note(s) retains his residence for tax purposes.

A reporting process is established in certain cases also where the Paying Agent is paying interest to or securing the payment of interest for the benefit of certain categories of EU-based entities (other than Greek), as defined in Law 3312/2005, which interest is secured or collected for the benefit of an ultimate individual holder of Note(s).

Also, specific obligations are imposed on Greek entities, collecting or receiving interest for the benefit of the ultimate individual holder of Note(s), by a Ministerial Decision of the Ministry of Economy and Finance.

Law 3312/2005 was enacted as of 1 July 2005.

Taxation in the United Kingdom

The following is a summary of the United Kingdom withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes. It is based on current law and the practice of Her Majesty's Revenue and Customs ("**HMRC**"), which may be subject to change, sometimes with retrospective effect. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of the Notes. The comments are made on the assumption that Alpha Bank is not resident in the United Kingdom for United Kingdom tax purposes. The comments relate only to the position of persons who are absolute beneficial owners of the Notes. Prospective Noteholders should be aware that the particular terms of issue of any Series of Notes as specified in the relevant Final Terms or the Drawdown Prospectus (as the case may be) may affect the tax treatment of that and other Series of Notes. The following is a general guide and should be treated with appropriate caution. Noteholders who are in any doubt as to their tax position should consult their professional advisers.

Noteholders who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Notes. In particular, Noteholders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

A. UK Withholding Tax on UK Source Interest

A.1 UK Notes Listed on a Recognised Stock Exchange

The Notes issued by Alpha PLC (the “**UK Issuer**”) or Alpha Bank issuing through its UK branch (also the “**UK Issuer**”, and together with Alpha PLC, the “**UK Issuers**”) which carry a right to interest (“**UK Notes**”) will constitute “quoted Eurobonds” within the meaning of section 987 of the Income Tax Act 2007 (“**ITA**”) provided they are and continue to be listed on a recognised stock exchange within the meaning of section 1005 ITA. Securities will be regarded as “listed on a recognised stock exchange” for this purpose if (and only if) they are admitted to trading on an exchange designated as a recognised stock exchange by an order made by the Commissioners for HMRC and either they are included in the United Kingdom official list (within the meaning of Part 6 of the Financial Services and Markets Act 2000) or they are officially listed, in accordance with provisions corresponding to those generally applicable in European Economic Area states, in a country outside the United Kingdom in which there is a recognised stock exchange.

The Luxembourg Stock Exchange is a recognised stock exchange for these purposes. The Issuers’ understanding of current HMRC practice is that securities which are officially listed and admitted to trading on the main market of that exchange may be regarded as “listed on a recognised stock exchange” for these purposes. Whilst the UK Notes are and continue to be quoted Eurobonds, payments of interest on the UK Notes may be made without withholding or deduction for or on account of United Kingdom income tax.

A.2 UK Notes issued by a bank

In addition to the exemption set out in A.1 above, interest on the UK Notes may be paid without withholding or deduction for or on account of United Kingdom income tax if the UK Issuer is a “bank” for the purposes of section 878 of ITA and so long as such payments are made by the UK Issuer in the ordinary course of its business. In accordance with the published practice of the HMRC, such payments will be accepted as being made by the UK Issuer in the ordinary course of its business unless either:

- (i) the borrowing in question conforms to any of the definitions of tier 1, 2 or 3 capital adopted by the Financial Services Authority whether or not it actually counts towards tier 1, 2 or 3 capital for regulatory purposes; or
- (ii) the characteristics of the transaction giving rise to the interest are primarily attributable to an intention to avoid United Kingdom tax.

Alpha Bank issuing through its UK branch is currently a “bank” for these purposes but Alpha PLC is not.

A.3 Notes with short maturity dates

Interest on the UK Notes may be paid without withholding or deduction for or on account of United Kingdom income tax if the relevant interest is paid on Notes with a maturity of less than one year from the date of issue and which are not issued under arrangements the effect of which is to render such Notes part of a borrowing with a total term of a year or more.

A.4 All other Notes

In all cases falling outside the exemptions described in A.1, A.2 and A.3 above, interest on the UK Notes may fall to be paid under deduction of United Kingdom income tax at the basic rate (currently 20 per cent.) subject to such relief as may be available following a direction from HMRC pursuant to the provisions of any applicable double taxation treaty or to any other exemption which may apply.

B. Provision of Information

Noteholders should note that where any interest on Notes is paid to them (or to any person acting on their behalf) by any UK Issuer or any person in the United Kingdom acting on behalf of any Issuer (a “**paying agent**”) or is received by any person in the United Kingdom acting on behalf of the relevant Noteholder (other than solely by clearing or arranging the clearing of a cheque) (a “**collecting agent**”), then the relevant UK Issuer, the paying agent or the collecting agent (as the case may be) may, in certain cases, be required to supply to HMRC details of the payment and certain details relating to the Noteholder (including the Noteholder’s name and address). These provisions will apply whether or not the interest has been paid subject to withholding or deduction for or on account of United Kingdom income tax and whether or not the Noteholder is resident in the United Kingdom for United Kingdom

taxation purposes. In certain circumstances the details provided to HMRC may be passed by HMRC to the tax authorities of certain other jurisdictions.

For the above purposes, "interest" should be taken, for practical purposes, as including payments made by a guarantor in respect of interest on Notes.

With effect from 6 April 2009 the provisions referred to above may also apply, in certain circumstances, to payments made on redemption of any Notes where the amount payable on redemption is greater than the issue price of the Notes.

Information may also be required to be reported in accordance with regulations, made pursuant to the EU Savings Directive (see "*EU Savings Directive – General*" below).

C. Payments by the Guarantor

If the Guarantor makes any payments in respect of interest on Notes issued by Alpha PLC (or other amounts due under such Notes other than the repayment of amounts subscribed for the Notes) such payments may be subject to United Kingdom withholding tax at the basic rate (currently 20 per cent.) subject to such relief as may be available under the provisions of any applicable double taxation treaty or to any other exemption which may apply. Such payments by the Guarantor may not be eligible for the exemptions described in A above.

D. Payments under the Deed of Covenant

Any payments made by an Issuer under the Deed of Covenant may not qualify for the exemptions from United Kingdom withholding tax described above.

E. Other Rules Relating to United Kingdom Withholding Tax

1. Notes may be issued at an issue price of less than 100 per cent. of their principal amount. Any discount element on any such Notes will not generally be subject to any United Kingdom withholding tax pursuant to the provisions mentioned in A above, but may be subject to reporting requirements as outlined in B above.
2. Where Notes are to be, or may fall to be, redeemed at a premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest. Payments of interest are subject to United Kingdom withholding tax and reporting requirements as outlined above.
3. Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.
4. The references to "interest" in A to C above mean "interest" as understood in United Kingdom tax law. The statements in A to C above do not take any account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the Terms and Conditions of the Notes or any related documentation (e.g. see Condition 5 of the Notes). Noteholders should seek their own professional advice as regards the withholding tax treatment of any payment on the Notes which does not constitute "interest" or "principal" as those terms are understood in United Kingdom tax law.
5. The above description of the United Kingdom withholding tax position assumes that there will be no substitution of an Issuer pursuant to Condition 19 of the Notes and does not consider the tax consequences of any such substitution.

Luxembourg Taxation

The following is a general description of certain Luxembourg tax considerations relating to the Notes. It specifically contains information on taxes on the income from the Notes withheld at source and provides an indication as to whether the Issuer assumes responsibility for the withholding of taxes at the source. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in Luxembourg or elsewhere. Prospective purchasers of the Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of the Notes payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of Luxembourg. This summary is based upon the law as in effect on the date of this Prospectus. The information contained within this section is limited to withholding

taxation issues, and prospective investors should not apply any information set out below to other areas, including (but not limited to) the legality of transactions involving the Notes.

Withholding Tax

All payments of interest and principal by the Issuer in the context of the holding, disposal, redemption or repurchase of the Notes can be made free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with the applicable Luxembourg law, subject however to:

- (i) the application of the Luxembourg laws of 21 June 2005 implementing the EU Savings Directive and several agreements concluded with certain dependent or associated territories and providing for the possible application of a withholding tax (20 per cent. from 1 July 2008 to 30 June 2011 and 35 per cent. from 1 July 2011) on interest paid to certain non Luxembourg resident investors (individuals and certain types of entities called “residual entities”) in the event of the Issuer appointing a paying agent in Luxembourg within the meaning of the above-mentioned directive (see section “*Luxembourg Taxation – EU Savings Directive*” below) or agreements;
- (ii) the application as regards Luxembourg resident individuals (in the context of their private wealth) of the Luxembourg law of 23 December 2005 which has introduced a 10 per cent. final withholding tax on savings income (i.e. with certain exemptions, savings income within the meaning of the Luxembourg law of 21 June 2005 implementing the EU Savings Directive. This law should apply to savings income accrued as from 1 July 2005 and paid as from 1 January 2006.

Responsibility for the withholding of tax in application of the above-mentioned Luxembourg laws of 21 June 2005 and 23 December 2005 is assumed by the Luxembourg paying agent within the meaning of these laws and not by the Issuer.

EU Savings Directive

The EU Council of Economic and Finance Ministers adopted the EU Savings Directive on 3 June 2003. The EU Savings Directive is, in principle, applied by Member States as from 1 July 2005 and has been implemented in Luxembourg by the laws of 21 June 2005. Under the directive, each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income within the meaning of the EU Savings Directive paid by a paying agent within the meaning of the EU Savings Directive, to an individual resident or certain types of entities called “residual entities”, within the meaning of the EU Savings Directive, established in that other Member State (or certain dependent or associated territories). For a transitional period, however, Austria, Belgium and Luxembourg are permitted to apply an optional information reporting system whereby if a beneficial owner, within the meaning of the EU Savings Directive, does not comply with one of two procedures for information reporting, the relevant Member State will levy a withholding tax on payments to such beneficial owner. The withholding tax system will apply for a transitional period during which the rate of the withholding is of 20 per cent. from 1 July 2008 to 30 June 2011 and 35 per cent. as from 1 July 2011. The transitional period is to terminate at the end of first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments. See further “*EU Savings Directive – General*” below.

Cyprus Taxation

The following is a general summary of certain tax aspects of the Notes under Cypriot law practice in force and applied as at the date of this Prospectus and does not purport to be a comprehensive description of all tax aspects relating to the Notes. This summary does not analyse the tax position of the Issuer and it does not constitute nor should it be construed as, tax or legal advice. Prospective investors should consult their tax and other professional advisers as to the specific tax consequences of acquiring, holding and disposing of the Notes and of receiving interest on the Notes.

Introduction

In accordance with the provisions of the Income Tax Law, Law 118(I)/2002 (as amended) (the “**Income Tax Law**”) a person (natural or legal) is liable to tax its worldwide income on the basis of residency.

A person is resident in Cyprus for the purposes of the Income Tax Law where, in the case of a natural person, that person is present in Cyprus for a period (or periods in the aggregate) exceeding 183 days

in the tax year and in the case of a company, its management and control is exercised in Cyprus. The tax year for the purposes of the Income Tax Law coincides with the calendar year.

Interest Income

Non-Cyprus Tax Residents

Persons (natural and legal) who are not resident for tax purposes pursuant to the provisions of the Income Tax Law will not be liable to any charge to income tax or the special contribution for defence tax.

Cyprus tax resident individuals

Under the provisions of the Income Tax Laws, an individual who is tax resident in the Cyprus and who receives or is credited with interest, is exempt from income tax, but is subject to 10 per cent., withholding pursuant to the provisions of the Special Contribution for the Defence of the Republic Law, Law 117(I) of 2002 (as amended) (the “**SCDF Law**”).

Cyprus tax resident companies

A resident company which receives or is credited with interest from the ordinary carrying on of its business or receives interest closely connected with the carrying on of its business is subject to tax under the Income Tax at the rate of 10 per cent. on the interest received and is not subject to the special contribution for the defence fund. A resident company, which receives or is credited with interest and the interest is not considered to be received from the ordinary carrying on of its business or is not closely connected with the carrying on of its business, is liable to income tax under the Income Tax Law on 50 per cent. of the interest received or credited, whilst the remaining 50 per cent. is exempt. In addition, the interest is subject to 10 per cent. defence tax withholding pursuant to the provisions of the SCDF Law.

Profit from the Disposal of the Notes

Any gains derived from the disposal of the Notes by a Cyprus resident individual or company is exempt from income tax in Cyprus.

Any gains from the disposal of the Notes is not subject to Cyprus income tax, irrespective of trading nature of the gain, the number of Notes held or the period for which the Notes were held. Any gain is also outside the scope of application of the Capital Gains Tax Law.

EU Savings Directive

Cyprus has enacted into Cyprus law the EU Savings Directive by virtue of the provisions of the Assessment and Collection of Taxes (Amendment) Law 146(I) of 2004. Pursuant to this law, the Cypriot Council of Ministers issued the Assessment and Collection of Tax (Provision of Information Regarding Interest Payments) Regulations of 2005. These regulations impose Savings Directive standards on economic operators making EU cross-border savings interest payments to individuals resident in (i) other EU Member States, (ii) certain associated or dependant territories of a Member State, (iii) certain other states with whom the EU has concluded relevant agreements, such as automatic reporting to the tax authorities of the other Members State of (a) an individual’s identity and permanent address, (b) the name and address of the paying agent and (c) the bank account details.

Noteholders will be deemed to have authorised the disclosure of such information to the relevant tax authorities by their subscription for the Notes.

EU Savings Directive – General

Under the EU Savings Directive, each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income (within the meaning of the EU Savings Directive) paid by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in that other Member State; however, for a transitional period, Austria, Belgium and Luxembourg may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35 per cent. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

In addition, a number of non-EU countries, and certain dependent or associated territories of certain Member States, have adopted similar measures (either provision of information or transitional

withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State. Furthermore, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity in one of those territories.

On 13 November 2008, the European Commission published a proposal for amendments to the EU Savings Directive, which included a number of suggested changes which, if implemented, would broaden the scope of the requirements described above. Investors who are in any doubt as to their position should consult their professional advisers.

SUBSCRIPTION AND SALE

The Dealers have in an amended and restated programme agreement (as further amended, supplemented and/or restated from time to time, the “**Programme Agreement**”) dated 16 March 2009 agreed with Alpha Bank and Alpha PLC a basis upon which they or any of them may from time to time agree to subscribe for Notes. Any such agreement will extend to those matters stated under “*Form of the Notes*” and “*Terms and Conditions of the Notes*” above. In the Programme Agreement, Alpha Bank and Alpha PLC have agreed to reimburse the Dealers for certain of their expenses in connection with the establishment of the Programme and the issue of Notes under the Programme.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, US persons except in certain transactions exempt from the registration requirements of the Securities Act.

The Notes are subject to US tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by US tax regulations. Terms used in this paragraph have the meanings given to them by the US Internal Revenue Code of 1986 and regulations thereunder.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer, or in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all the Notes of the Tranche of which such Notes are a part within the United States or to, or for the account or benefit of, US persons and it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, US persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Each issue of Index Linked Notes, Equity Linked Notes or Dual Currency Notes shall be subject to such additional US selling restrictions as the relevant Issuer and the relevant Dealer or Dealers may agree as a term of the issue and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Final Terms or the Drawdown Prospectus (as the case may be). Each relevant Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will offer, sell and deliver such Notes only in compliance with such additional US selling restrictions.

Public Offer Selling Restriction Under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by the Prospectus as completed by the Final Terms in relation thereto (or are the subject of the offering contemplated by a Drawdown Prospectus, as the case may be) to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the Final Terms or Drawdown Prospectus in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “**Non-exempt Offer**”), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus which is not a Drawdown Prospectus has subsequently been completed by the Final Terms

contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable;

- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, all as shown in its last annual or consolidated accounts; or
- (d) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (e) *Other exempt offers*: at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive.

provided that no such offer of Notes referred to in (b) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Law No. 25 of 1948, as amended) and, accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer or sell any Notes directly or indirectly, in Japan or to, or for the benefit of, any Japanese Person or to others for re-offering or resale, directly or indirectly, in Japan or to any Japanese Person except under circumstances which will result in compliance with all applicable laws, regulations and guidelines promulgated by the relevant Japanese governmental and regulatory authorities and in effect at the relevant time. For the purposes of this paragraph, “**Japanese Person**” shall mean any resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Control Law (Law No. 228 of 1949, as amended)).

Republic of France

Each of the Dealers and the Issuers has represented and agreed, and each further Dealer under the Programme will be required to represent and agree, that:
