This book depicts the history of Modern Greek sculpture in the 19th and 20th century. It attempts a general consideration of its aspirations and achievements, while reference is made to the creators, with representative examples of their oeuvre. This study is the first attempt to compile a list of Greek sculptors and contributes to the public's familiarization with the major works and to a fuller understanding of the rich content of Modern Greek sculpture.

The Publication may be obtained either by visiting the “**ALPHA BANK – CULTURE store**” (40 Stadiou Street, ATHENS) and the e-shop [www.alphapolitismos.gr/eshop](http://www.alphapolitismos.gr/eshop) or by placing an order via telephone or e-mail (tel. +30 210 326 2465, e-mail: [infopolitismos@alpha.gr](mailto:infopolitismos@alpha.gr)).
