Joint statement by the Chair of the BoD, Vasileios Rapanos, and the Group CEO, Vassilios Psaltis, on the loss of George Aronis

“It is with great sadness that we heard about the passing of George Aronis, one of Alpha Bank’s Senior Executives for many years. Self-made, with an independent spirit, innovative ideas and an acute understanding of the Greek market trends, George Aronis left his mark on the banking landscape of our times. For more than 16 years he was at the forefront of Alpha Bank’s business activity, contributing to the establishment of its leading position in the Greek banking system.

Today, all of us who worked with him bid farewell to a close associate, an exceptional person and, most importantly, to a friend.

He will always be remembered.

We extend our sincere condolences to his family and friends.”
