

15 July 2022

Dear Shareholder,

Schroder International Selection Fund (the "Company") – Various sub-funds as set out in the Appendix (the "Funds")

We are writing to inform you that the Funds' investment policies have been updated to permit investment in China-A Shares listed on the Science and Technology Innovation Board ("STAR Board") of the Shanghai Stock Exchange and ChiNext Market of the Shenzhen Stock Exchange. The Funds affected by this change are listed in the appendix to this letter.

Background and rationale

The Funds may invest directly or indirectly (for example via participatory notes) in China A-Shares through the Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect and variously through the Qualified Foreign Investor (QFI) Scheme (formerly known as the Renminbi Qualified Institutional Investor Scheme) and regulated markets. This is further described in the Funds' appendices in the prospectus.

The STAR Board and ChiNext Market are technology based Chinese stock exchanges and have been added to increase the flexibility of the Funds' Chinese investment access.

The extent of the change to the risk/reward profile of the Fund as a result of this change is non-significant.

All other key features of the Funds, including their synthetic risk and return indicators (the SRRI) and fees, will remain the same.

You can find the Fund's updated key investor information document (the KIID) for the relevant share class and the Fund's Prospectus at www.schroders.lu.
