

HEALTH & SAFETY POLICY

The Top Management of Alpha Supporting Services envisions to establish a working environment, suitable for company's activities and services, as well as safe and healthy for all employees, contractors and visitors.

In this context, Alpha Supporting Services has developed, implemented and sustains an Occupational Health & Safety Management System according to ISO 45001:2018 requirements and all applicable H&S legislation. Moreover, all required resources (in terms of personnel and equipment needed) are provided, to maintain and improve it.

The Top Management of Alpha Supporting Services, is also committed to:

- Comply with all applicable Health & Safety legislation
- Put effort on continuous improvement of Occupational Health & Safety Management System and thereby Health & Safety conditions of employees, contractors and visitors
- Ensure continuous consultation with employees and their active participation in attainment of established H&S objectives

In the context of current Occupational Health & Safety Management System, Alpha Supporting Services also aims at:

- Elimination of accidents
- Minimizing near-misses and eliminating OHS risks
- Training and awareness of its personnel on Health & Safety at Work

Company's Occupational H&S policy and relevant actions taken are communicated within the organization and become available to all interested parties.
